

A pleasing recognition of the value of the . . .

"PIRLE" Finish

is shown by the fact that the leading French and German Manufacturers, in addition to the British, are sending Goods to Ripley's to be "*PIRLE*" *Finished*. Goods do *not* *spot* and do *not* *cockle*. If *you* have not tried this Finish, particularly suitable for the Canadian market, *Why Don't You?*

EDWARD RIPLEY & SON,

Bowling Dye Works

BRADFORD, ENG.

Black Dress Goods...

Priestley's
Black Dress Goods
are the
Standard for the World

MADE IN THE FOLLOWING WEAVES :
