GENERAL EXERCISES.

Declamation and Composition by all the Students on alternate Saturdays.

A portion of every Sunday is devoted to the united Study of the SACRED SCRIPTURES, under the direction of the Officers of the Institution.

GOVERNMENT.

This will be parental and mild, although strict and firm. Measures of disciplinary severity will be employed only after consultation and serious deliberation, and after the trial of other means has been found insufficient to secure the observance of the rules of order and propriety. Every reasonable precaution will be used to preserve a healthy state of moral feeling. It is determined that no one shall continue in the Academy, whose character and habits are found to exert an *influence unfavorable* to good morals or good order. Daily records of scholarship and conduct will be made with great care.

MISCELLANEOUS REMARKS.

Students in good standing can receive an honorable dismissal from the Institution, at the close of the Examination at the end of any Term; and at no other time except in special cases.

☞ Parents and Guardians are respectfully requested to write to the Principal directly, should they find it necessary to recall a Student in Term-time.

Students who may pass a satisfactory examination in all the Studies of any of the Departments, will be entitled to a regular Certificate or Diploma.

Classes will be organized and instructed in the French language, and Scientific Agriculture, whenever required by a sufficient number of Students. Where it is preferred, the study of French may be substituted for Latin and Greek, in the Intermediate Department. By omitting the Latin and Greek in the Collegiate department, the Studies of that Department may be completed in from two to three years.

Persons who may not wish to pursue either Course regularly, will be allowed to enter any of the Classes, in order, for which they are qualified. But where there is no intimation of desire on the part of the Parent or Guardian of the youthful Student, dictating a modified course—he will be examined, and have his place assigned in the Department which he may be found prepared to join; and will be required to pursue the regular course as above given, while he may continue in the Institution.

Parents and Guardians are *earnestly advised* that the lads should be furnished *very sparingly*, if at all, with spending money. Money sufficient to meet incidental expenses should be lodged with the Principal of the Institution, or with some other responsible person.

Each pupil shall bring with him:—Not less than three suits of clothes; eight day and three night shirts; six pairs of stockings; two or three pairs of shoes; two hats or caps; also, a cloak, or overcoat; an umbrella; combs and brushes; and a Bible, with marginal references.

Parents are particularly requested to send every article of Clothing marked with the name of the Pupil in full.

☞ All who desire to become Students in this Institution, should enter, if at all possible, at the commencement of a term, as the regular classes are then organized; pupils, however, will be received at any time. The only pre-requisites for admission into the Primary Department are a good moral character, ability to read and spell, and age sufficient to enable the Pupil to prepare regularly for recitation.
