"Figures are not always facts." But the incontrovertible facts concerning Kidney Wort are better than most figures. For instance, "It is curing everybody," writes a druggist. "Kidney Wort is the most popular medicine we sell. It should be by right, for no other medicine has such specific action on the liver, bowels, and kidneys." Do not fail to try it.

The most brilliant shades possible, on all fabrics are made by the Diamond Dyes. Unequaled for brilliancy and durability, to cite.

Mrs. Lidia E. Pinkham has not really discovered the *Laxir Vitr.*, which the ancient Alchemists sought by so much patient research and persistent experiment, her medicine seems at least, likely to command an immense sale and universal popularity in the future. If rapid progress and eminent success furnish any basis for a correct judgment, Mrs. Pinkham is a most promising competitor for such honourable distinction as the alchemists failed to achieve.
