HOT WATER HEATING.

RECENT TESTIMONIAL.

Toronto, April 16th, 1887.

Messrs. E. & C. Gurney Co., Toronto:
GENTLEMEN,—It affords me pleasure to bear testimony to the satisfaction given by your No. 33 Hot Water Furnace, placed in my house last November. My wife joins me in saying the house has never been so comfortably heated as since the introduction of your furnace. Several other styles of furnaces were pressed upon my notice, but, having decided on yours, I am pleased to say I have no occasion to regret the choice I made. It has proved to be a good furnace, easily cleaned and kept going. Any ordinary domestics can attend to it.

Yours very truly,

(Signed), THOS. DAVIES.
