4 DECADES HAVE COME AND GONE SINCE THE SUPPLY OF WISTAR'S BALSAM OF WILD CHERRY IS ON THE WRAPPER.

Household Hints.

PERFECTLY CHARMING is what the ladies say about "Lotus of the Nile" Perfume. FOR sore throat try a gargle of salt and water. A little swallowed will do no harm. A REALLY good travelling companion—Perry Davis' Pain-Killer. To keep coloured calicoes from fading in the washing, make thin flour starch and wash them in it instead of suds. If you have a cough do not neglect it; buy at once a bottle of Allen's Lung Balm.

AVOID taking cold by not sitting or standing still out of doors in windy or exposed places, especially after severe exercise. TRUE MERIT APPRECIATED.—BROWN'S BRONCHIAL TROCHIS are world-renowned as a simple yet effective remedy for Coughs and Throat Troubles.

To remove mildew from cloth, dissolve a tablespoonful of chloride of lime in a quart of water; dip the mildew spots in this and lay in the sun. If not wholly removed by one application, repeat it. R. FELLOWS, M.D., of Hill, N. H., says proved to be very reliable and efficacious in the treatment of severe and long-standing coughs. He says that it saved the life of at least one of his patients.

To clean black cashmeres and other all-wool goods, soak them over night in strong borax water. In the morning, hang them to dry without rinsing or wringing, and while damp press smoothly on the wrong side. BOOKS vs. EXPERIENCE.—Books are useful to add to our knowledge, but practical experience teaches us that the best remedy for all diseases of the Stomach, Liver and Blood is easily to be had and is called B.B.B.

THREE is no need for the successful apiarian to bother his brain about the best remedy for stings, but little ones may be stung and parents not know the remedy. Sweet oil, ammonia or soda is best to rub on. JAMES PYLE'S PEARLINE is highly endorsed by housekeepers and others who have tried it. No soap is required, and cleaning is done with a saving of much time and labour. All housekeepers should use it. I HAVE a recipe for croup that I have had eighteen years—have given it to a great many persons and have never known it to fail to help them. It is syrup tolu, syrup ipecac and hive syrup, each one ounce; mix and give half teaspoonful every half hour until better.

WELL SPOKEN OF — can recommend Hagyard's Yellow Oil very highly, it cured me of rheumatism in my fingers when I could not bend them." Ida Plank, Strathroy, Ont. A medicine for external and internal use in all painful complaints. A FELON is very painful, but may be very easily checked if taken care of in time. Should you feel a heavy, dull, aching pain in any finger, get a tin of hot water, let it stay on the stove so as to keep boiling, and dip the finger rapidly in and out. Repeat this two or three times.

COVERTOUSNESS in Disguise. The wonderful success of JAMES PYLE'S PEARLINE has given rise to a flood of imitations with an "me" to their names, evidently to have them sound like Pearlina. Enterprises of this sort are quite liable to be more selfish than beneficial. DEAN GRAY, JR., of Westfield, Mass., had a severe and distressing cough, followed by emaciation and night sweats. Many remedies were tried without avail, and his friends seriously doubted his recovery. He was completely cured by the use of two bottles of Dr. Wistar's Balsam of Wild Cherry.

Science publishes some valuable records, collected by Dr. Samuel Sexton, on the effects of boxing the ears. In fifty-one cases upon his records the ear has been injured by blows of the open hand or fist. One had inflammation of the ear, and the other had the running of the ear for twelve years. This patient died of brain disease. In another, the patient was slapped by his father on the left ear, and deafness ensued, with a bloody discharge, from which he was three months in recovering. I HAVE had catarrh for twenty years, and used all kinds of remedies without relief. Mr. Smith, Druggist, of Little Falls, recommended Ely's Cream Balm. The effect of the first application was magical, it allayed the inflammation, and the next morning my head was as clear as a bell. One bottle has done me so much good that I am convinced its use will effect a permanent cure. It is soothing, pleasant and easy to apply, and I strongly urge its use by all sufferers.—Geo. Terry, Little Falls, N. Y. Apply Balm into each nostril.

\$500 REWARD is offered by the manufacturer of Dr. Sago's Catarrh Remedy, for a cure of Chronic Nasal Catarrh which they cannot cure. SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nose, discharges falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers, the voice is changed and has a nasal tinge; the breath is offensive; smell and taste are impaired; there is a sensation of Zitzners, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sago's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh." Prof. W. HUBBARD, the famous memorist of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting." THOMAS J. RUSHING, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sago's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBINSON, Runyan P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sago's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
