A NEW INVENTION.

NO BACK-ACHE!

My back has been saved by one man in a hundred. I have been suffering from back-ache for many years, and have tried every remedy, but without success. I have now found the remedy, and I am able to walk as well as ever. I have also used the Liniment with great success in taking the soreness from corns in horses after removing them.

BROWN BROS. & Co.

GENTLEMEN—I wish to speak with approval of Simson's Liniment. Having my knee fractured and the cords almost destroyed by a kick from a horse, and other applications not proving successful to reduce the pain and soreness, I used two bottles of the Liniment, which at every application took effect, and now after six weeks being laid up I am able to walk as well as ever. I have also used the Liniment with great success in taking the soreness from corns in horses after removing them.
