

## THE OLIVER TYPEWRITER, \$95

A Typewriter is, if it is a modern machine, a necessity to every business and professional man, but a machine that can only be operated by a "trained typewriter" is an expensive luxury.

The OLIVER is the only Free Type Bar Visible Writing Machine. It has a condensed keyboard and you see every letter as it is written, so that anyone can learn to operate it in a week, and because it is a Canadian it is Thirty Dollars cheaper than any other machine on the market.
