HEALTH OR SICKNESS?  
CHOOSE BETWEEN THEM.

HOLLOWAY'S PILLS.

THE blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life neutralizing the principle of disease, and thus radically cure the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

USED THROUGHOUT THE WORLD!

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race, and in diseases peculiar to certain climates and localities.

ALARMING DISEASES.

Dyspepsia, and derangement of the Liver, the source of indigestion and suffering, and the cause of innumerable deaths, yield to these remedies. In all cases, however aggravated, acting as a mild purative, alternative and tonic, they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these pills give fitness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES.

All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these—no ill-timed alternatives. Note to her who regards her own or her children's health should fail to have them within her reach.

SCIENTIFIC ENDORSEMENTS.

The London "Advertiser" the London "Medical Review," and the most eminent of the faculty in Great Britain, France and Germany have eulogised the pills and their inventor.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Asthma	Diarrhoea	Inflammation	Gravel
Bowel Complaints	Dropsy	Inward Weakness	Sciatica
Coughs	Dribbling	Moss	Symptoms
Colds	Fever & Ague	Liver Complaints	Veneral Diseases
Chest Diseases	Female Complaints	Plains	Worms of all kinds
	Plains	Lowness of Spirits
