BLOOD TURNED TO WATER.

The Result is Dizziness, Fainting Spells and Loss of Energy.— How to Regain Health and Strength.

To those of an observant nature it must be painfully apparent that a large percentage of the young ladies of to-day are far from the enjoyment of good health. Their pallid faces and listless demeanor bespeak an early breakdown if prompt measures are not taken to restore the wasted energies. A case in point is that of Miss Imerson, of Greenwood, Ont. The mother of the young lady says,—"My daughter was in poor health for two years, and we spent a good many dollars in doctoring with but very little good. Our family doctor said she was badly run down and that her blood had turned to water. She suffered from severe headaches, loss of appetite and her lungs pained her so much at times that it caused her to faint. We were advised to try Dr. Williams' Pink Pills and I am thankful to say that after the use of nine boxes she entirely regained her health and is as strong as any in the family. Others in our household have also used Pink Pills with the same good results, and I strongly recommend them to all who are ailing." A serious responsibility devolves on mothers and they will do well to heed the advice contained in Mrs. Imerson's statements if their daughters are weak, pallid, easily tired or subject to heart palpitation. Dr. Williams' Pink Pills have a more potent influence on the blood and nerves than any other known medicine, and speedily restore the bloom of health to pallid cheeks. Pink Pills cure when all other medicines fail. Sold by all dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y. Refuse all substitutes alleged to be "just as good."

- A FOUNTAIN PEN -
FOR
\$1.00

A Fountain Pen is a good thing, provided you get the right kind at a moderate price. Fountain pens have hitherto been too high in price to come into general use. But the problem has been solved, and a good pen is now offered FOR ONE DOLLAR, free by post. This is not a cheap imitation, but a genuine gutta percha holder, with non-corrodible iridium pointed nib, from a first-class English firm. The nibs are furnished in fine, medium and broad, and as there is a twin feed the flow of ink is steady and reliable. Gold nibs, and holders with gold bands at higher prices, but the DOLLAR PEN is just as well adapted for everyday use.

The Neptune (for that is its name) is a favorite in England for short hand writers and others, but this is the first time, we believe, it has been offered for sale in Canada. The holder contains ink enough for two days steady writing.

Can be had by addressing J.J. Bell, GRIP Office, 81 Adelaide St., West, Toronto.
