SAINT MARY'S ACADEMY, DIRECTED BY THE

SISTER'S OF THE HOLY NAMES

JESUS AND MARY,

. MONTREAL.

THE pleasant and healthy location of this newly erected Academy, the spaciousness of the Building, and the accommodations which it enjoys, enable the Sisters to bestow every attention on the Moral and Intellectual culture of their pupils, as well as upon their domestic comfort. The religious principles of the young ladies entrusted to their care, are guarded with unremitting solicitude.

The system of discipline is mild, but firm and uni-

form; while every encouragement and every laudable incentive is employed, to forward the pupils in knowledge and virtue.

Pupils of every religious denomination are admitted, and no interference is made with their religious convictions; they are, however, required to conform to the general rules of the Institution.

The scholastic year, comprising ten months and a half, opens on the First of September, and ends about the middle of July.

Parents and Guardians are allowed to visit the

Pupils on Thursdays.
There is an additional charge of \$12 for those who

spend vacation at the Academy. COURSE OF INSTRUCTION.

REMARKS ON THIS PROSPECTUS. J. M.

The object of this new Academy is to benefit families who are desirous that their children should receive a complete course of instruction in the English language. The Sisters of the Holy Names of Jesus and Mary, anxious to promote the welfare of education in this respect, will secure their pupils every facility of making proficiency in this tongue. They will devote to this purpose a part of the edifice which has recently been erected on a magnificent site-an courant Ste. Marie -- and which is due to the munificence of Mr. Simon Valois. A Chapel is attached to the building that will soon be opened for public worship, and whose architectural beauty will afford connaisseurs an accurate idea of Saint Mary Major, justly ranked among the most beautiful churches of

The Sisters of the Holy Names of Jesus and Mary hope that their enterprise will be cordially greeted by an enlightened and benevolent Public, and that success will crown their endeavors, if they continue to enjoy the same patronage which has been so liberally tendered to them at Longuevil, where the Mother House is established, as well as in the different parishes and missions where they have been entrusted with the education. They avail themselves of this opportusincere thanks to the fri nity to return education, who have so liberally patronised their community; and they now purpose to labor with renewed energy in behalf of the noble cause which Divine Providence calls upon them to advocate.

INTERNAL AND EXTERNAL REMEDY. Davis' Pain Killer.-It is a real pleasure to us to

speak favorably of this article, known almost univer-sally to be a good and safe remedy for burns and other pains of the body. It is valuable not only for colds in the winter, but for various summer com-plaints, and should be in every family—C. Advocate. We call attention to the great romedy of Perry Davis & Son called the Pain Killer. We believe that the public generally have great confidence in the efficacy of this medecine, as it is in this State very generally used. - Biblical Recorder, (N.C.)

MESSES. P. Davis & Son, — Gentlemen: We have to report an increasing demand for the Pain Killer. Inquiries for the article are frequent. We have taken the liberty of distributing a few bottles among our friends who have suffered severely with the rheumatism, (which is very prevalent in this country) and in every instance it has given great satisfaction. Every box we sell makes an opening for a larger

supply.

SEE WHAT AYER'S SARSAPARILLA DOES FOR DERANGEMENT OF THE LIVER. STOTT'S CROSSING, Talladega Co., Ala., 9th August, 1859.

DR. J. C. AYER, Lowell, Mass—Sir: I take my pen to tell you what your SARSA-PARILLA and CATHARTIC PILLS have done for me. I had been afficied with Liver Complaint for six years, during which I was never well, and much of the unring which I was never well, and much of the time very sick. My liver was sore to the touch, and the Doctors said was congested. I suffered from severe costiveness and Diarrhoa alternately. My skin was clammy and unhealthy: my eyes and skin often yellow. Occasionally I had a voracious appetite, but constally appeared to the constall a dreadful sense of the constallation of the constallati but generally none at all. A dreadful sensation of oppression on my stomach, with languor and a gloomy sensation of sickness all over, kept me in anguish. You cannot know how much I suffered from an in-describable feeling of distress. The long continu-ance of this condition, without relief had worn me out so that I never expected to be better; but reading in the Ohristian Advocate, of your Sarsaparilla, I commenced taking it with occasional small doses o your Pills, to regulate the bowels as you direct .-From the first it had more effect upon my disorder than I supposed anything could have. I regained my health rapidly, and now after eleven weeks, enjoy as good health and strength as any other man. May the "Dispenser of all good" shower blessings on you.

OAKLAND, Ind., 6th June, 1859.

J. C. Ayen & Co. Gents: I feel it my duty to acknowledge what your Sussaparilla has done for me. Having inherited a Screkhous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several plysicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and get it, and used it till it cared me. I took it, as you advise, in small doses of a teaspounful over a month, and used almost three bottles. New and healthy skin soon began to form under the seal, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the aporties of the age, and remain ever gratefully. Yours.

Dr. J. C. Ayer. Sir: I have been afflicted with a painful chronic liheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was notacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Geteliell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good euough."

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

This is a remedy so universally known to surpass any other for the cure of throat and lang complaints, that it is uscless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
