THE MONTREAL TEA COMPANY.

The Whole Dominion should buy their Teas of the Importers, THE MONTREAL TEA COMPANY, 6 Hospital Street, Montreal.

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure and free from any artificial coloring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on the receipt of the order by mail containing money, or the money can be collected on delivery by express man, where there are express offices. In sending orders below the amount of \$10, to save expense it would be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation of this excellent medicine enjoys, is derived from its cures, many of which are of a truly marvellous character. Incurable cases of Scrofula, where the system seemed utterly given up to corruption, have yielded to this compound of anti-scorbutic virtues. Disorders of a scrofulous nature, and affections which are merely aggravated by the presence of scrofula, have been radically cured in such numerous instances, in every settlement in the country, that the public do not need to be informed here that it is in most cases a specific and absolute remedy. Scrofulous poison, one of the most destructive enemies of our race. Often, this unseen and silent tenant of the organism undermines the constitution, and invites the attack of embolism or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter case, the blood is so tainted, that it is deposited in the lungs, or heart, or tumors formed in the liver. These facts make the occasional use of the Sarsaparilla as a preventive, advisable. It is a mistake to suppose that so long as no eruptions or humors appear, there must be no scrofulous taint. These forms of derangement may never occur, and yet the vital forces of the body be so impaired by its subtle agency, as materially to impede the health and shorten the duration of life. It is a common error, also, that scrofula is strictly hereditary. It does, indeed, descend from parent to child, but is also engendered in persons born of pure blood. Low living, indolence, foul air, licentious habits, uncleanliness, and the depressing effects generally produced by it. Weakly constitutions, where not fortified by the most constant and judicious care, are peculiarly liable to it. Yet the robust, also, whose turbid blood swells the veins with an apparently exuberant vitality, are often contaminated, and on the road to its consequences. Indeed, no class or condition can depend on immunity from it, nor feel inauspicious to the importance of an efficient remedy. In St. Anthony's Fire, Rose or Erysipelas, for Tetter, Salt Rheum, Scald Head, Ringworm, Sore Ears and Eyes, and other eruptive or visible forms of the disease, caused primarily by the scrofulous infection, the Sarsaparilla is so efficient as to be indispensable. And in the more concealed forms, as in Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and other affections of the muscular and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces astonishing cures. The Sarsaparilla root of the tropics does not by itself achieve these results. It is aided by the extracts combined with it, of still greater power. So potent is this union of healing virtues, Siphitis or Gonorrhoea and Mercurotic Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. Leucorrhoea or Whites, Uterine Ulcerations, and Gonorrhoea Diseases in general, are commonly soon relieved and ultimately cured by the invigorating and purifying effect of the Sarsaparilla. Rheumatism and Gout, often dependent on the accumulation of extraneous matters in the blood, have their remedy also in this medicine. For Liver Complaints, torpidity, inflammation, abscess, etc., the Sarsaparilla, through its purifying power, has written us of the youthful vigor imparted to their nervous system, which seemed impaired with that profligate life they thought had departed on the advance of age. Others, whose fountains of life were always sterile, acknowledge their obligations to it for an obvious change. This medicine restores health and vigor where no specific disease can be distinguished. Its restorative power is soon felt by those who are Languid, Listless, Despondent, Sleepless, and filled with Nervous Apprehensions or Fears, or who are troubled with any other of those affections symptomatic of weakness. Many, after taking it for several weeks, have written us of the youthful vigor imparted to their nervous system, which seemed impaired with that profligate life they thought had departed on the advance of age. Others, whose fountains of life were always sterile, acknowledge their obligations to it for an obvious change.
