

The Ottawa Rifle Club's Season's Record.

There is probably no rifle association in the country which puts in more faithful practice or for its size turns out more crack shots than does the Ottawa Rifle Club, a review of whose scores for the competition of 1888 is given below. The season just closed has been one of the most successful in the history of the club.

The Rifle.

Argenteuil Rifle Association.

The first adjourned prize meeting of this association was held at Lachute on the 10th and 11th October. The weather was clear and bright, with a very uncertain fish-tail breeze. Owing to the exertions of the special committee the range was in first class order, being provided with two Bacon and one iron target. A prize list of \$173—raised in Lachute—was offered. At the close of the meeting contributors and competitors were entertained at supper. The vice-president, Mr. Wm. Owens, M. P. P., presided, supported by Mayor Fish and Mr. R. G. Meikle.
