Business Permanency

One of the greatest contributors to the permanency of a business is partnership insurance.

A North American Life partnership policy will establish a high degree of credit, and safeguard your business in any eventuality, be it financial stringency or death.

The numerous advantages which this form of policy offers will be explained by any representative, or upon direct communication with

Minimum Insurance

Economists estimate that fifteen dollars per week is the smallest amount upon which a widow, with say two children, can maintain herself and family respectably.

This means that the smallest amount of insurance carried should be such a sum as safely invested would yield \$780 per annum. At 6% this means \$13,000.

Very few men can afford to carry such a sum. Those who cannot assume such an amount should nevertheless make it their aim, and as circumstances improve add to their protection until this point is reached.

thus acknowledges settlement of his Policy in The Great-West Life.

"I am pleased to congratulate the Company for the profits earned for its policyholders, and also for the promptness and the ease of the settlement of its policies. And, as evidence of my satisfaction, I have this day recommended to your C— Agent one of my good parishioners, who will be a good policyholder."
