NEW FEATURE—It is universally admitted that
with the exception of intentional fraud, all the dis-
putes and litigations of Fire Insurance have arisen
from an erroneous idea of the nature, bearing and
particulars of the contract. To make the particu-
lars, etc., clear to the insured, we return to him at-
tached to his policy, a complete copy of his applica-
tion, survey and diagram, enabling him to see at any
time the full nature of his contract with the Com-
pany, as it is important the insured should have an
instrument in his possession as well as in the pos-
session of the Company, to which he can refer at any
time and ascertain if he has made any change in his
premises to void his policy should a loss occur.

RELIABLE AGENTS WANTED.
