**HOW BABIES SUFFER**

When their tender SKINS are literally ON FIRE with ITCHING AND BURNING ECZEMAS and other Itching, Scaly, and Blotchy Skin and Scalp Diseases, none but mothers realize.

To know that a single application of the Cuticura Remedies in the great majority of cases, afford instant and complete relief, permit rest and sleep, and point to a permanent and economical (because so speedy) cure, and not to use them without a moment's delay, is to be guilty of positive inhumanity. No greater legacy can be bestowed upon a child than a skin without blemish and a body nourished with pure blood.

**CUTICURA**

Remedies are the greatest skin cures, blood purifiers, and humor remedies, are absolutely pure, and may be used from infancy to age, from pimples to scrofula, with the most gratifying and unailing success.

TREATMENT. — CUTICURA, the great skin cure, and CUTICURA SOAP, an exquisite skin purifier and beautifier, externally, instantly allay the most intense itching, burning, and inflammation, soothe and heal raw and irritated surfaces, clear the skin and scalp of crusts and scales, and restore the hair, while CUTICURA RESOLVENT, the new blood and skin purifier and greatest of humor remedies, cleanses the blood of all impurities and poisonous elements, and thus removes the cause.

"ALL ABOUT THE BLOOD, SKIN, SCALP, AND HAIR" mailed free to any address, 64 pages, 300 Diseases, 50 Illustrations, 100 Testimonials. A book of priceless value to mothers. CUTICURA REMEDIES are sold everywhere. Price, CUTICURA, 75c.; CUTICURA SOAP, 35c.; CUTICURA RESOLVENT, \$1.50 Prepared by POTTER DRUG AND CHEMICAL CORPORATION, Boston.

Facial Blemishes, pimples, blackheads, red, rough, and oily skin and hands, and simple humors and skin blemishes of infancy and childhood are prevented and cured by that most effective of all Skin Purifiers and Beautifiers, the celebrated Cuticura Soap. Incomparably superior to all other skin and complexion soaps, while rivaling in delicacy and purity the most expensive of toilet and nursery soaps. The only preventive of inflammation and clogging of the pores, the cause of most facial blemishes. Price, 35c.

THE BEST MAGAZINE FOR THINKING PEOPLE

1891

While continuing the well-known features that have made it valued and respected for nearly a score of years, THE POPULAR SCIENCE MONTHLY will soon begin the publication of a series of important articles on

**THE DEVELOPMENT OF AMERICAN INDUSTRIES SINCE THE TIME OF COLUMBUS.**

Each article will be prepared by a writer of long practical acquaintance with his subject, and will be copiously illustrated. Among the early papers in this series will be **The Development of the Cotton Manufacture**, by EDWARD ATKINSON; **The Iron and Steel Industry**, by W. F. DURFEE; **Woollens**, by S. N. D. NORTH; and **Glass**, by PROF. C. HANDFORD HENDERSON. Articles on the **Silk, Paper, Pottery, Agricultural Machinery, and Ship-building** industries are among those in active preparation.

HON. DAVID A. WELLS on **Taxation**. A series of papers on "The Principles of Taxation," based upon a course of lectures given by Mr. Wells at the invitation of the Faculty of Harvard University, will be one of the features of the coming year.

DR. ANDREW D. WHITE'S **New Chapters in the Warfare of Science** will continue to appear from time to time.

The other contents of the magazine will be of the same general character and high order of excellence as heretofore.

With other illustrations, each number contains a finely engraved **Portrait** of some eminent man of science, with a **Biographical Sketch**.

There is hardly a question of the day upon which science does not throw light, hardly a problem of human interest whose solution can not be best approached by the method of scientific research. The brightest minds have recognized that science furnishes the most efficient guidance in ordering the lives and affairs of men. No one who wishes to keep up with the knowledge of the time can afford to be without THE POPULAR SCIENCE MONTHLY.
