

Canada Treaty Series

As reflected by the Canada Treaty Register maintained by the Treaty Section of Legal Advisory Division, action was taken during the past twelve months (July 1, 1974 - June 30, 1975) in connection with 73 agreements, 34 multilaterals and 39 bilaterals. This represents an increase of 40% in the number of treaties signed, ratified, accepted, etc. over last year.

This Section is also responsible for providing answers to a great number of written or oral questions from other divisions, other departments of Government, foreign governments and the general public concerning treaties to which Canada may or may not be a party.

As a result of sustained effort toward publication of the Canada Treaty Series, the backlog has been liquidated: within the next few weeks the remaining numbers in the 1974 series will be issued and preparatory work on the publication of the 1975 series will be well under way. It is therefore anticipated that the Canada Treaty Series will henceforth be issued on a regular basis.
