

CONSIDER

that in order to ensure implementation of the principles set forth in the Declaration of The Hague, negotiations must start as soon as possible to find solutions to the problems related to global warming, by emphasizing the need for a convention on the protection of global climate, drawing as appropriate on the work undertaken at the Ottawa Meeting and other work underway in this area,

ENCOURAGE

all States to adhere to the Montreal Protocol on substances that deplete the ozone layer,

HAVE DECIDED

to convene a Conference on Francophone Ministers of the Environment.
