

Administrative Report of the Board of Directors

1961-62 Session

1. Summary of the Year's Work

The Board of Directors has the honor to present to you the following report on the work of the Board during the year 1961-62.

The Board has been pleased to note the progress made during the year in the various areas of responsibility assigned to it. The Board has continued to work closely with the Administration and the Faculty in the development of the University's policies and programs. The Board has also been concerned with the financial health of the University and has taken steps to ensure that the University's resources are used in the most effective manner possible.

The Board has also been concerned with the physical plant of the University and has taken steps to ensure that the University's facilities are maintained in the best possible condition. The Board has also been concerned with the University's relations with the community and has taken steps to ensure that the University is an active and contributing member of the community.
