#### EASTERN ARCTIC—REPORTED NEED FOR IMPROVEMENT

On the orders of the day:

**Mr. G. H. Aiken (Parry Sound-Muskoka):** Mr. Speaker, I have a question for the Postmaster General. In view of the suggestion disclosed in the report of the advisory committee on the development of government in the Northwest Territory concerning the inadequacy of mail services in the eastern Arctic, has the minister directed that an inquiry be made in respect of this matter of urgency?

**Hon. Jean-Pierre Côté (Postmaster General):** Even though we have the best postal service in the world, my department is always trying to improve it in every area of the country. I must say that the eastern Arctic is a very special and difficult area, but I can assure the hon. member that it is under intensive study.

On the orders of the day:

**Mr. H. W. Danforth (Kent (Ont.)):** Mr. Speaker, I should like to direct a question to the Minister of Manpower and Immigration. In view of numerous requests I have received with regard to workers entering Canada this summer from Jamaica to aid in harvesting operations and remaining in Canada, can the minister state whether in the original agreement it is requisite that they return to Jamaica after the designated work period or will the Department of Immigration receive individual representations to remain in Canada or to return to Canada in the near future and remain in this country as workers?

**Mr. Speaker:** Order, please. I am not too sure that this question is very urgent. I would not think it is. If the hon. gentleman thinks I am wrong, he may want to discuss the matter in the adjournment debate.

**Mr. Danforth:** Ten o'clock, Mr. Speaker.
