Dr. F. D. Adams,  
Dean of Faculty of Applied Science,  
McGill University.

Dear Dr. Adams:-

Now that Dr. Pancroft has left us  
for a year I would appreciate very much if you  
would consent to serve on the Mining Building  
Committee in his stead.

I am taking it for granted that you  
will and I am notifying Mr. C. E. Neill of the  
Board of Governors, who is the Chairman of that  
Building Committee. *to that effect.*

Yours faithfully,

Principal.
