Colonel W. Bovey,
Principal's Office,
McGill University,
Montreal.

Dear Colonel Bovey,

The enclosed letter to Sir Arthur Currie results from my conversation with him yesterday. I understand he has left town and will be away some time, but I think from what he said that he has in mind some way of supporting the Academy Life Class, so I send two copies of my letter to him in case he desires to send one of them where it would do most good. I shall therefore be obliged if you will have these letters forwarded to him, instead of awaiting his return.

Yours very truly,

P. E. Nobbs
