Dear Sir Arthur,

Re: SYMPHONY CONCERTS.

I received your letter of the 3rd inst., after your departure from the City, and while I almost always accept a request from you as a command which it is a pleasure and honour to carry out, I frankly would prefer to be left off this particular committee.

Apart from my being particularly pressed just now with the Montreal Board of Trade and the various committees and commissions it involves, I am not keen on serving jointly with French-Canadian citizens in a matter which calls for organizing, and raising money, as my experience shows that the work and the paying usually fall on the English-speaking members.

I also understand that this scheme is partly fostered by musicians who are out of work and who organized a strike a few months ago.

I am sure you will forgive me for desiring to pass up this particular project under the circumstances.

Yours faithfully,

Walter Molson

WM/EB.
