Mining Market Goes Soaring Again--New Record Attained

CATTLE STEADY IN MONTREAL MARKET

No New Features in the Day's Business--Hogs Active and About Unchanged.

MONTREAL, Jan. 15.—At the Canadian Pacific live stock market the receipts of live stock for the week ending Jan. 11 were 1275 cattle, 540 sheep and lambs, 1400 hogs and 275 calves, while the offerings on the market this morning for sale amounted to 1300 cattle, 400 sheep and lambs, 1400 hogs and 200 calves.

The market for cattle was without any new feature, prices being steady under a good demand from butchers and packers for supplies and the scarcity of good to choice stock. The weather conditions were not so favorable, it being much milder, but notwithstanding this fact, buyers operated freely and an active trade was done. The best steers offered sold at \$6.25 to \$6.50, and the lower grades from that down to \$4.25, while good butchers' cows and bulls brought \$5.25 to \$5.50, medium from \$4.25 to \$4.50, and common \$3.75 to \$4.00 per 100 pounds. There was some demand from American buyers for culling cattle, and shipments of three carloads were made to New York.

There was no further change in the market for lambs, prices being firm at the recent advance, with a good demand at \$7.25 to \$7.50, and a few at \$7.00 to \$7.25 per 100 pounds. The demand for calves was fair at \$4.25 to \$4.50, and a few at \$4.00 to \$4.25, and a good trade was done in hogs, and the market was active, with prices unchanged at \$5.25 to \$5.50 per 100 pounds, changed at \$5.25 to \$5.50 per 100 pounds for selected lots, weighed off cars.

MONTREAL GRAIN AND PRODUCE

MONTREAL, Jan. 15.—Demand from foreign buyers for Manitoba wheat and barley continued, and a few carloads of business being done, but notwithstanding this fact, prices closed steady in Chicago and Winnipeg, and private cables from Liverpool were easier, with bias to lower. There was some enquiry for oats, but the bids received, based on the May option in Winnipeg, were 30c per bushel out of the lake, and prices advanced 1/2c, with a sale of 5,000 No. 2 Canadian western at 45c, and 5,000 No. 2 Canadian yellow corn at 20c higher, at 61c.
