TIGERS TRIUMPH OVER TORONTO ALL STARS AT BILLY SLEE'S BENEFIT

Junglemen Forced the Queen City Boys Under After Great Battle—The Locals Faded in the Third Quarter and the Game Was Corralled.

Tigers won by doubling the score on the Toronto All Stars Saturday at the Stadium. The final tally was 15 to 7 in favor of the Junglemen. The score once more does not represent the play, altho the victory went to the right team. They did not outclass the local men very much, and then only in spots, while at times the All Stars had a great deal more of the play than their opponents. However, it only goes to show just what a wonderful aggregation of gridiron artists the Tigers are.

This officially closed the Rugby season for 1913, and now all the teams will pack their regalia away in many trunks. No more will the shout of the rooters and the rush and tearing of athletic bodies in pursuit of the pigskin be heard for another year, but King Rugby will descend from his throne with all the pomp that he can gather together and make way for another great Canadian pastime and monarch, King Hockey. However, the season closed with one of the best games seen here this year, and for yet a more nobler cause. The proceeds of the game will be given to Wm. J. Slee, president of the O.R.F.U., who has been ill for a long time and unable to support himself. To show just how much the fans thought of Mr. Slee and his untiring efforts in boosting the game, they flocked to Varsity Saturday, and about 5000 enthusiasts enjoyed the game.

The first half and the last quarter were exhibitions of the most modern gridiron work, and the two teams found themselves so well versed in the ways and means of gaining yards that they were at times anticipating each other's moves with disastrous results. Both teams fought tooth and nail, giving very little either way, and in those three quarters it was only fumbles that allowed the Tigers to score. The third quarter was disastrous to the extent of putting the game on ice for the visitors. Whether it was the players' fault or not it is hard to say, but they certainly did not show the same calibre that the others had. Perhaps the fact that they were smaller men in many instances may be the reason, but anyway they didn't give much protection to their half line men. McKenzie showed up well, but made a bad play when he let a ball bounce in front of his goal, with the result that he was pulled down for a rouge when at the least he should have tried to catch it.

Lawson was the out and out star of both teams, and the big human piledriver spurned his attackers aside as he used to do in the old days. In fact his performance Saturday compared favorably with even his best in his palmier days. The big fellow plowed right and left for gains and he was the dangerous man at all times as he was worked to death. Degruchy and Maynard were fair, but that is all. Sheehy was a bright shining light, and he showed up better than he has ever done before this season. Blackstock, Foster and McFarlane were the other stars.

Of the Tigers it is hard to pick out the individual star, altho perhaps Eddie Smith was the outstanding man. He certainly put up the greatest game that has been seen here this season. Smith showed that he was in condition, and his runs and booting were so effective that he stopped the Queen City boys time after time. McKelvey and Manson were just as good as ever, but Manson is too crabby a player to gather many friends unto himself. Hamilton's outside wings were outclassed all day and never figured much in the struggle.

Hamilton Tigers (15)—Flying wing, Isbister; halves, Manson, McKelvey, Eddie Smith, Smith; quarter, Dixon, Chagnon; scrimmage, Meyers, Young, Woodly; inside wings, Craig, Wilson; middle wings, Stuart, Clark; outside wings, Glassford, Gatenby.

All-Toronto (7)—Flying wing, Platte, B. Burkart, Simpson, Botterill, McDonald; halves, Lawson, Maynard, Smith, Lindsay, Zimmerman, Degruchy, McKenzie; quarter, Symons, Campbell; scrimmage, Sinclair, Blackstock, Schwalm, Davidson; inside wings, Cassells, Smith, Foster, McFarlane, Pottlicury; middle wings, Burkart, Pierce, Cory, Knight, Smith, Hughes; outside wings, Sliter, Sheehy, Clarkson, O'Connor.

Referee—Ben Simpson.
Umpire—Dr. Wright.

CAPS CAPTURE JUNIOR FINAL

Toronto Team Decisively Defeats Westmounts for Canadian Championship.

MONTREAL, Dec. 7.—The Capital football team of Toronto won the junior championship of the Dominion when they defeated the Westmounts of this city Saturday afternoon by the decisive score of 17 to 2. It was not until the final quarter that the match became one-sided, the locals putting up a game argument, but were outclassed by the clever team from the Queen City, and the latter bucked for two touches in the last period, which settled the result. Knowles, the right half, was the star of the visitors, and was in a class by himself when it came to kicking and catching. His line gave him protection, and the wings were always down under the pigskin for big gains. The weather conditions were perfect for the great fall game.

The Lineup.

Capitals (17)—Flying wing, McCormick; halves, Knowles, Holmes, Lopp; quarter, Hewitson (captain); scrimmage, McDonald, Glaze, Manners;; inside wings, Tinning, Armstrong; middle wings, Richards, McBirnie; outside wings, Holden, Smith.

Westmount (2)—Flying wing, Payne; halves, Smythe, Davis, Duckett (captain); quarter, Rose; scrimmage, Delo, Atkinson, Bogert; inside wings, Robertson, Rankin; middle wings, Culkin, McCaig; outside wings, Morris, Sharp.

Referee—T. Riddell. Umpire—Crutchdow.

First Quarter.

The opening of the first quarter was marked by even play. Duckett, for the local men, opened the scoring with a point for Westmount. Hewitson, of the visitors made a nice run, but dropped the ball. An instant afterwards Toronto registered a point when the ball was kicked into their hands. After scrappy play for a few minutes Holmes made a great break, but kicked the ball outside. For Westmount Duckett played a great game, while Payne of Toronto made some good openings for himself. Both teams were about evenly matched, and the first period ended with a score of one point each.

Second Quarter.

In the second period Toronto had much the better of the play and had Westmount playing with the disadvantage of the sun shining in their eyes. Holmes kicked to the dead line for a safety and soon after another point was registered when Duckett was pushed across the line. Davis, the Westmount halfback, was laid out by Holmes. Fullerton, one of the youngest and lightest men on the team, did some great punting for his team. Half time ended with the score 5 to 1 in favor of Toronto.

Third Quarter.

Play was here all in the Toronto territory, with Westmount effectively preventing any break-away. Duckett's kick then notched up another point for the local players, who here played great ball. Holmes was starring for the Capitals. Play was brought down to the Westmount end, and thru a bad fumble by Duckett. The third period ended with the score 6 to 2 in favor of Toronto.

Fourth Quarter.

On the opening of the last period Armstrong scored a touchdown for the Capitals. Richards kicking the ball failed to get it over the post. Score now 11 to 2.

On a pass from Duckett Westmount gained a slight advantage, till their man was pulled down with a fine tackle by Holmes. Duckett again got the ball up field with a great kick. Duckett made a wild pass. McBirney made a good run. Dopp of Toronto was here put off the field. Just at the close McBirney went within a few inches of the Westmount line trying for a touchdown. Just on the top of the attempt Knowles succeeded in getting a touchdown, but failed to convert, the ball striking the goal post.

Final score: Capitals 17, Westmount 2.

Alert Seniors Lost To Intermediates

HAMILTON, Dec. 7.—Several hundred Rugby fans witnessed East End Y.M.C.A., intermediate O.R.F.U. champions, defeat Alert seniors, Dominion champions of 1912, after one of the most stubbornly contested battles seen here this season. The game was really between Alert intermediates and Alert seniors, but despite this relationship they went at it hammer and tongs, making the play exciting and spectacular.

The final score, 17 to 16, exactly indicates the closeness of the play. So evenly matched were the two teams that ten minutes of overtime was needed to decide the tie of 16 to 16 at full time. The superior running and tackling of the intermediates won them the game. At bucking, too, they excelled the seniors, but in punting the latter were stronger, altho they fumbled badly. The three "Reds," Harper, Fisher and Flannery, were out in the struggle, and they put up a grand game considering their absence from the game for over a year. The teams:

East End Y.M.C.A. (17)—Flying wing, Clements; outside wings, Fickley, Nixon; middle wings, Lang, Ireland; inside wings, Gibb, Wren; scrimmage, Goodale, Osborne, Fenton; quarter, Bridges; halves, Finlayson, McKelvey, Stowe.

Alert seniors (16)—Flying wing, Flannery; outside wings, Fisher, Fitzpatrick; middle wings, Snider, Spence; inside wings, Gray, Thompson; scrimmage, McCarthy, Craig, Voelker; quarter, Harper; halves, Becker, Leckie, Crawford.

The Coxwell hockey teams will commence training this evening at their temperary club room, 1656 Queen street east, and all players that have signified their intention of turning out with them, or any others wishing to join any of their three fast teams will be welcomed. They will be represented by a juvenile, a junior and an intermediate team this year in the Beaches League.

Handsome Testimonial

The Rugby testimonial on Saturday was a prominent success in every way. Not only will the Varsity treasurer be able to turn over a substantial sum to W. J. Slee, but those who attended saw a splendid game of Rugby with the champion Hamilton Tigers. Good sports they are, taxed to the limit to defeat the Toronto All Stars. Apart from the chilly air the weather was ideal and the ground in perfect condition. The only expense was the railway fares of the Hamilton squad, leaving a balance of $2670 for Mr. Slee. Referee Ben Simpson and Umpire Dr. Wright handled the game perfectly.

FEDERAL LEAGUE WANTS LEAFS' NEW SHORTSTOP

Bob Fisher Says He Does Not Know Whether to Join Feds or Come to Toronto—Baseball Managers Gather This Week in New York.

NEW YORK, Dec. 6.—The inter-league schedule proposed by Ed. Barrow, was originated by Garry Herrmann, who wanted the majors to take it up, but it was rejected by the American League last month because it would interfere with the world's championship.

The Newark Club at Monday's session of the International League will cast a vote in favor of the new schedule with the American Association. President Charles H. Ebbets, jr., of the Newarks is a strong advocate of this plan. It is proposed to arrange a separate schedule of 112 games for each of these powerful minor leagues, ending on or about Aug. 10. After that the plan calls for a visit of the eight American Association teams to the eight international League cities, each A.A. team to play three games in each I. L. city. When this eastern invasion ends the International League teams will go west for a similar schedule. The team holding the highest winning percentage for the entire season will be hailed champion. The plan is believed to be feasible, for the reason that these minor leagues do not have a world's series.

Ebbets, jr., will not be the only advocate of the inter-league plan. He says that the visit of the American Association teams to the International's circuit will revive interest and increase gate receipts; also that the same conditions will exist when the International teams go west. In view of the fact that Baltimore, Newark, Buffalo, Providence, Rochester, Toronto, Montreal, Jersey City, Kansas City, Indianapolis, Milwaukee, Columbus, Toledo, Louisville, St. Paul and Minneapolis would be involved in a struggle for the championship, Ebbets, jr., argues that the interest in the two circuits would be greater than ever before.

After a series in Cuba which netted ten victories in fifteen games against the strongest teams on the island, the Superba tourists reached Brooklyn the other day. Jake Daubert, who acted as manager, was accompanied on board the steamship Esperanza to New York from Havana by Mrs. Daubert and son, Master Jake, by Mrs. William Fischer and Mr. and Mrs. William Rigler. They were preceded by Moran, Ragon, Miller, Stengel, Bob Fisher, Wagner, Smith, Cutshaw, Yingling and Dan Comerford, trainer, who returned by train from Florida. Each member of the tourists cleared $430, about $100 more than members of the Giants or Athletics cleared on previous visits to Cuba.

Daubert has a string on a Cuban shortstop, who may be given a trial by the Dodgers. He is Romanach of the Almendares team. Romanach joined the Cincinnati Club last spring with his fellow-countrymen, Almeida and Marsans, but quit the team after trouble with Joe Tinker in his first day of practice. Speed is one of the youngster's strongest assets, but Brooklyn pitchers say that Romanach has developed rapidly as a batsman, and is now strong enough with the stick to hold a berth in the big league.

The release by Brooklyn of Bob Fisher to Toronto leaves the Dodgers without a regular shortstop. Mowe and O'Hara are youngsters who will be tried in the position. Fisher brought news of a definite offer from the Federal League. The stipulated salary is larger than he received in Brooklyn, but Fisher admits that he has not decided whether to go with the outlaws or accept work with Toronto.

In addition to the unanimous election of Gov. John K. Tener of Pennsylvania to the presidency of the National League at next Tuesday's conclave in the Waldorf-Astoria the magnates will consider several other important matters behind closed doors. The seventeen demands of the baseball players' fraternity will be received and considered officially, with President-elect Tener in the chair. Each demand will be discussed at length and a vote will be called for. The league will be asked to instruct President Tener how to vote as a member of the National Baseball Commission when the fraternity's demands come before the supreme court of baseball at Cincinnati in January. The American League already has empowered President Ban Johnson to act, while the minor leagues will send a representative to the Cincinnati conference.

Lister Makes New Mark In Teck Cross-Country

George A. Lister won the four-mile Technical school's cross-country on Saturday in 22 minutes, which is a new record for the race. The victory carries with it the Gooderham Shield. The evening class shield and second place, went to Wm. Penn. Jas. Woodgate won the intermediate race and R. Davidson the junior. Mr. W. S. Kirkland set the 20 runners away. The start was at the school, thru the Rosedale ravine and back.

G. Urquhart, a fifteen-year-old lad, with a minute and thirty seconds handicap, won the junior boys' harrier race of the West End Y.M.C.A. Saturday afternoon. His actual time for two miles was 11.02. C. Griffin was second and M. Griffin third. P. Orr finished fourth.

Kiviat Wins Six Mile Cross-Country Race

NEW YORK, Dec. 6.—Abel R. Kiviat of the Irish-American A. C., holder of the world's one-mile indoor record, won the national senior cross-country championship of the A.A.U. over the six-mile course at Vancourtlandt Park this afternoon. Kiviat was among the front runners all the way, and a little over a mile from the finish he sprinted and finally won by a margin of 100 yards from Sidney L. Leslie of the Long Island A. C., winner of the junior national and junior metropolitan cross-country championships this year.

The winner's time, 33.52, is a fraction over 17 seconds behind the record for this course, established by Hannes Kohlemainen, the Finnish Olympic champion, two weeks ago.

The team championship was won by the Irish American A. C. with 32 points. The New York A. C., second, also scored 32 points, but the team prize was awarded the I.A.A.C. for its having furnished the winner.
