

Parkdale Dethrones M. C., Champions of the C. H. A.

Note and Comment

Parkdale beat St. Michael's last night in the game that practically decides the championship of the Ontario Hockey Association. The attendance may have not been the largest, but the money taken in beat all records for Mutual-street rink. The highest honor in hockey in the province changed hands, and who cared even if only the O.H.A. trophy went with it. True, there are the Argonauts, winners of their group, who will give Parkdale a tough battle, also the winners of Saturday night's game, but there is no reason to expect that the Canoe Club hockeyists from the west end will not ultimately triumph.

That Parkdale are the best team is the general opinion of those who saw last night's game, and had the players kept on the ice more their margin would have been more than two goals.

But they will hold no Allan Cup for the present, tho, with the trophy going to Winnipeg or Kenora, the trustees might rule Parkdale eligible, and if the O. H. A. champions so decided they might take the trip and fetch the trophy back to where it belongs.

It looks as if the O. H. A. are making too much fuss about the Allan Cup ruling. The trustees have laws, and their order for S. M. C. to defend seems to have been well within their rights. The best thing to do is to ship the junk back at the earliest convenience, according to Bill Northey's letter.

The Allan Cup trustees in their award point out that they have the option to order the holders to defend before the end of the season, which was not the case a year ago. This was to avoid the possibility of the league holding the cup to prolong its matches so late in the season (thru lies and play-offs) as to preclude outside matches for the cup on fair ice. It was felt that an amendment was necessary, and this was so framed that the time of playing for the cup would be to the discretion of the trustees. Therefore, the following clause was added to Rule 2:

"The trustees shall, in their discretion, call upon the holders of the cup to defend it, if for any reason the deciding of the championship of the season, in which the cup is held, being delayed beyond a date sufficiently early to dispose of the challenges likely to be received for that year."

The trustees point out that the various leagues were notified of this change before their schedules were drawn up for this year, and a special request was made to them to shorten up their league series so that the above discretionary rule would not require to be enforced.

On Feb. 3 the trustees received a challenge from the Winnipeg Victoria, that team having won the championship of the Manitoba Amateur Hockey League.

March, at which time the O.H.A. games will be finished, and at which time, even if ice conditions were good in Toronto, some later matches would have to be played on poor ice. So in the best interests of the game the trustees had to exercise their powers, and notified the St. Michael's Club of the O.H.A. to defend the cup between the 20th and 25th instant. This they have refused to do, and so the trustees reluctantly award the cup to the Winnipeg Victoria.

THE BENNIE BRAWKINS INTERNATIONAL GAME

Interest at Winnipeg Bonspiel Centres in Competition for Grand Aggregate.

WINNIPEG, Feb. 15.—Local interest in the bonspiel is now chiefly centred in the fight for the Grand Aggregate. Braden of Winnipeg was the last of the big skips to fall. After a succession of 13 straight victories he met defeat yesterday afternoon by a quartet from his own club, skippered by Macdonald. There are half a dozen skips close on the heels of Braden with from ten to a dozen victories and one or two defeats. The visiting contingents, some of whom are still in closed events, have not lost interest, as well as all their other games, and are staying right thru to witness the battles among the giants at the finish. With the exception of the Blue Ribbon all events will be closed this week. Yesterday Rennie won from Kerr of Saskatoon, 12 to 4, the Walker closed competition. His score in the Telley was 12 to 7 in favor of Brown of the Winnipeg Granites.

—One O'clock Draw—Tuckett Trophy—Huston, Fort William 8; Haddock, Civic 11; Fenton, Fort William 8; Smith, Civic 12.

—International—Flavelle (Lindsay) 12; Pace (Strathcona) 12.

Doig (Flenboro) 11; Johnson (Kenora) 10.

—Four O'clock Draw—Purty Flour—Eagle (Dauphin) 6; Huston (Fort William) 15.

—International—Connor (Morden) 5; Rennie (Toronto) 15.

The jewelry classes have been reached in nearly all of the big competitions in the twenty-third annual bonspiel. With the exception of the Tuckett and Douthie rink competition, all those to reach the four were Winnipeg rinks. Finlay, Reichen and Patton were first to reach the four in the open events.

Rennie is the only Eastern Canada rink who has a chance left in anything. He still has a fighting hope in the Canadianian district. Amnest of St. Catharines, which is his last event today. Flavelle of Lindsay has poked up a rink and is curling with great interest and is showing Huston of Fort William is showing well and has a chance to land two of the big events if he can dispose of the Bears, who are left in the competition. The wedding out process began today when the fight from the eighth downward commenced. The consensus of opinion locally favors the local rinks and Huston are making things lively for the best of them.

Billy Finlay, the midget skip, who for years played second for Cassidy's famous skids is more than holding his own. He has led in the aggregate. Finlay chased him for five days without a win, but now he has the lead.

He was the first man into the big event. The consolation winner is determined. The Patriarch event for curlers over 40 is for the diamond rings, which are the prizes, eagerly awaited.

Brampton Beat Parkdale.

Brampton, 10; Parkdale, 9. Goals: M. G. Chandler, 1; H. Patton, 1; B. Peaker, 1; R. J. Wray, 1; Dr. Heagie, 1; Dr. E. Peaker, 1; J. Dunn, 1; J. T. Kearns, 1; F. Kelk, 1; T. H. Shields, 1; C. Henderson, 1; R. Dally, 1; W. R. Holton, 1; J. H. Brindell, 1; W. Hunter, 1; A. Henderson, 1; A. T. Howe, 1; W. Barclay, 1; J. McEalain, 1; G. Downes, 1; G. Duthie, 1; T. B. Thaburn, 1; W. Scott, 1. Total, 20.

Referee Steacy was not greatly impressed with the brand of hockey put up. He will referee the T.A.A.C.-Eaton game on Saturday night at 8 o'clock.

Eaton's rosters last night were pulling for Parkdale, as they think if they can get to the finals their chances of defeat are better than they would get to beat St. Michael's. They got their wish, but now they will have to defeat Parkdale. Can they do it?

There were between 400 and 500 served tickets sold for the Queens-Varsity game here today. The sale will be put on at 180 Yonge-street this morning.

The Toronto Canoe Club team go to Oshawa to-day at 1:15 and will like to take all the members they can up to the rink.

PARKDALE WIN GROUP AGAIN DEFEAT ST. MIKES

Paddlers Prove Themselves Better Team—Two All at Half-Time, With Final Score 5-3.

Parkdale defeated St. Michael's last night at Mutual-street rink, 5-3, in a Senior O.H.A. game, and win their group, Half-time, 2-2.

On the best ice available at the rink so far this season, and before a crowd of 2500 people, Parkdale demonstrated their superiority over St. Michael's for the second time in as many games, this time followed by Riddipath, was the next man penalized. Evans, who had not been "going back," seemed to get going, and gave Thompson a hard one handle. Spratt rushed well and shot, but would have been more effective had he worked in a little combination play. Evans shot and narrowly missed, while Matthews had a good shot on a rush down the slide, but it was blocked by the defense.

With two to go, Matthews worked in some great rushes, and Holmes in goal was very effective. Disette was ruled out for a body-check, and Laflamme got his second penalty when he followed a play to the boards and bumped an opponent.

He is known as the aristocrat of the show as he is in charge of two groups, the Irish and the English. Mr. C. G. CROWN TAILORING WIN TWO FROM EMMETT SHOE

In Business Men's League—Printers and All the Bowling League Scores.

At the Toronto Bowling Club last night, Crown Tailoring won two out of three games from Emmett Shoes, in the Business Men's League series. The five Little Tailors seem to have got the championship bug in their bonnets of late, and judging by their present form, they should make the first division any way. The feature of the night was the great rolling of Doc Reeve, the grand old man of the league, who seems to improve the longer he lives. Doc's contribution was 545, which was high for the night, while his 212 count in the last game was high single. Ed. Tolley was high for Emmetts, with 524. The scores follow:
