A team of St. Cyprian's Cricket Club journeyed to Orillia for an all-day match with the local club on Labor Day. They were accorded a cordial reception by the team which recently visited Toronto, and a most enjoyable day was spent, during which the visitors partook of the hospitality of the home club, and suffered defeat in return. While in New York.

Philip Smith, a milk dealer of 1532 West
Queen street, barely escaped being killed
by a train yesterday afternoon at the Dowling-avenue crossing. As it was he had his
leg broken, hip fractured and received
numerous cuts and bruises and a severe
shaking up.

Smith had been delivering milk at a Dowling-avenue residence. He left his horse
and wagon on the road, with a weight at
tached to the former. When he was in the
house, his horse became frightened at an 516; 68,532 cwt. of bacon, valued at £119,

approaching Grand Trunk train and dashed in the direction of the railway tracks. Smith saw his horse running and gave chase. He had just reached the back of his wagon, when the horse was on the tracks, and in another instant the train went sweeping past. The animal and wagon were struck and both thrown to the side of the road. The wagon struck Smith a terrific blow and threw him several yards. When picked up he was in a dazed condition. Dr. Hart was soon on the scene, and after temporarily dressing his injuries had him removed to his home.

The horse was found on the roadside dead while the vehicle was smashed into kinding wood. In the accident Smith had the heel of his boot torn off by a blow from some part of the wagon. It is likely he will recover.

A Strange Accident.

Mr. Matthew Warnock of 298 Sackvillestreet, Toronto representative for the National Meter Company of New York, met with a very painful accident while visiting New York the other day. He had gone to witness some tests which were being made of meters and was accompanied by several friends. While returning to his hotel in a street car, he got off at a street corner and fell over on his leg. He was unable to walk and had to be removed in a cab to his soom. There it was found that several cords in his leg had been proken and some arteries severed. He was able to be brought to his home in Toronto the extend and the broad of the contracting and the customary bridal veil, and carrying a bouquet of pink roses. Beale-Jones. At St. Luke's Church yesterday morning a very quiet wedding was celebrated, when Miss Mary Elizabeth Jones, daughter of Mr. Clarkson Jones of 25 Queen's Park, was united in matrimony to Mr. John Alex. Beale of New York. Rev. Wm. Jones, assisted by Rev. Dr. Langtry of St. Luke's, performed the ceremony at 11 o'clock. At 2 o'clock the happy couple left on their honeymoon trip.
