

T. EATON CO.

A Clothing Talk for Saturday.

Of course, we're enthusiastic about our Clothing stocks, and we have good reason to be, for such worthy Clothing displays as we make are not to be seen very often. Certainly few places, if any, outside this store in Canada can duplicate our showing.

Wish you'd step in and see what we have gathered for Fall and Winter. The new stocks are ready for your inspection. They are about as complete as we know how to make them. We have done the very best we could in collecting them. We are more than pleased with the results. Now we would be glad to have your opinion. Suppose you give us a few minutes on Saturday to show you through. Or, if ready to buy your Fall dress needs, come and ask to see the goods represented by these items:
