Sunday Newspapers Also Come In for Their Share of Criticism.

Knowing that the advocates of Sunday newspapers are making strenuous efforts to secure the passing of a bill to legalize the sale of Sunday and other newspapers on the Lord's Day, and that the passing of such a bill would be detrimental to the sanctity of the Lord's day and to the moral and spiritual life of the community and a serious menace to our national life.

Therefore, we, as a conference, expression of the community and a serious menace to our national life. mobile for Sabbath pleasure and dese-cration is detrimental to the moral and spiritual life of our community and injurious to our church life and attendance, therefore, we as a comference place ourselves on record as commend-ing those who have used their automobiles for philanthropic purposes and for God's glory in conveying their families and friends to the house of God on the Sabbath day, even as our forefathers used the family democrat, and that we discountenance its misuse for Sabbath pleasure and desecration Sabbath pleasure and desecration

which we believe to be depleting the church of God of its attendance during the sumer months, and.

Further, that we hereby protest against the breaking of the Lord's Day either for pleasure or profit.
