TAKE OFF THE BANDAGE!

Opportunity goes by the man with his eyes shut, and he never knows it.
But it isn't only a question of sight. It's a question of foresight.
Speaking of foresight, we wish to draw your attention to

Westward Place Addition, Winnipeg

Winnipeg is not only a growing city. It has already grown to such proportions as to be the dominating city of the west.

In Westward Place Addition we offer you the best proposition for investment in Winnipeg real estate to-day, as this property is within easy reach of the centre of the city, with all the attendant advantages. Winnipeg is peculiarly situated, in that it can only spread in two directions—north and west. The Assiniboia River and St. Boniface (a separate town) prevent it from growing to the south and east. Westward Place Addition is on the west side, just north of the C.P.R. shops and yards, and J. J. Hill's railway shop site, and is bound to increase in value as the city grows.

Now, as to the price. The Lots are selling to-day at from \$100 to \$125 per Lot (25 feet wide by 116 feet deep) according to location. In order to make the payments easy, we offer you any of the following three plans:
First Plan--\$10 down and \$5 per month. | Second Plan-- $\frac{1}{4}$ down, balance in 10 and 30 mos. | Third Plan-- $\frac{1}{3}$ down and balance in 1 and 2 yrs.
(INTEREST AT 6 PER CENT. ON UNPAID BALANCES).

And we go further. We will refund all monies paid us if these lots are not as represented. This allotment will be open for a few days more, but take advantage to-day to secure your lot. Write us for Booklet on complete information.
