

The travelling has been by steamers, railway (generally construction train), row-boats, Indian canoe, and very largely on foot. Congregations at all points visited have been small, as the population, though increasing, is yet sparse. In one-half of the places named no other Protestant denomination holds religious services, which makes it all the more important that ours should be kept up. The work has thus been largely that of pioneering, preaching, and making pastoral visits for the first time in the vicinity. At present, amid prevailing sin and forgetfulness of God, strictly spiritual results are scarcely apparent; but the kindness and cordiality of the people, their presence and thoughtful attention at the services, and their contributions, in many instances, "according to their ability," give hope that the seed sown will yet bring forth fruit; then the sower and the reaper will rejoice together. The few faithful witnesses for Christ are too far removed from each other to admit of class or prayer-meetings, but they are bearing personal testimony for God and righteousness, and are earnestly praying for the salvation of others. The presence of several Christian women, and the interest they have manifested in the cause of religion, have been helpful in the past, and give hope for better days. A good organ placed in the Maple Ridge church has enabled us to make the church service and Sunday-school more interesting, especially to the young. The one great want is a revival of religion throughout the mission, and, indeed, the whole Province. For this let prayer be made to God continually by all who desire the coming of His kingdom. LANGLEY, SURREY, AND DELTA.

This being the first year in the history of this mission, our work has been in character and result like unto that of "the sower who went forth to sow." An occasional service had been held at Delta by Bro. Robson, of New Westminster, but no regular appointment had been made.

Feeling deeply the responsibility of the work, and the necessity of exercising all wisdom that the best interests of the cause might be promoted, we sought at the beginning and throughout the year Divine guidance; and now, almost at its close, we know that it has not been withheld.

We found very few Methodist families on the field, but they proved themselves ready, as well as others who attended our services, to support liberally the preaching of the Word.

Early in the year a \$150 organ was bought by the congregation at Ladner's Landing, and another at a different appointment has since been purchased conjointly by the two congregations, Methodist and Presbyterian, as they worship in the same place.

Three Sabbath-schools have been organized, two of which are supplied with our periodicals, and a class-meeting has been established and placed under the counsel and care of an experienced leader. The
