Local High School

Football Team Ready

Are Daily Practicing For Their
Encounter With Routhay Col-
on Next Saturday

fifty minutes of the most strenuous play-
ing. And after all they are striving for
honors not for themselves as individuals,
but for the St. John High School. Twice
the school team clinched the championship
of the interscholastic league and all
that is required to become possessor
of the silver trophy emblematic of the
championship is a win this fall. Not
once this season has the full team been
on the field at one time, some of the
members being kept in after school
hours and others being on the sick list.
Despite this, however, the team has the
material and the same grit that master-
ed in former years is in evidence and the
fifteen are out to win again this fall.
Through the efforts of Captain Russell
Donnelly, assisted by a former player
of note, the team has gone through the
preliminary stages and is rapidly
developing into an aggregation which can
punch well, tackle and scum with the best
of them. Whether or not they will make
a good showing against their opponents,
time alone can tell, but they are fast,
aggressive, ready and determined play-
ers and the team that beats them will
know they were in a game when play is
terminated.

Sely is due for the full back position.
He is well built, a good punter and a
fairly good tackler. Taylor, Jordan and
White are booked for quarters and a
better trio would be hard to find. Taylor
will bear watching. Captain Russell
Donnelly, Ives Anglin, Russell and Plenn-
ing are the half-backs and to them will
fall the majority of work. Donnelly is
one of the strongest players the High
School ever had. He may not be able to
