GREAT MEET, SAY ST. JOHN MEN

Words of Praise for All Connected With Skating Races in Moncton.

"One of the best series of ice sports I ever attended and the most thrilling finishes I have ever seen," was the way in which Hilton Belley, veteran skater and sculler, summarized the New Brunswick championships held on the Sunway Brook rink in Moncton yesterday afternoon and evening, when he arrived in the city this morning with the St. John fans. More than 200 local people were present at the races and without exception they had high words of praise for everything connected with the meet. Gorman, the new champion, and Gannett, last year's high man who was nosed out of the possession of the Eaton cup only ten points yesterday, were in the pink of condition and gave the Monctonians a bunch of thrills, the equal of which they said they never experienced before. Although they garnered the big majority of the points, they were not alone in the field, however, for the other

participants put up sterling exhibitions and those who finished behind the two local stars had no reason to be ashamed of their work.

Those in charge of the meet were congratulated on all sides on the number of star performers gathered together for the events, the smoothness with which the races were run off and the arrangements made for the accommodation of the fans. While no records were broken, the time in all the events was considered fast for the track, which measured four laps to the mile. The rink is a new one completed only this year. The ice could not have been better.

As the presentation of prizes in the Rink Club rooms after the meet, Mayor Edgett of Moncton, complimented the skaters and paid particular tribute to the men from St. John. Short addresses were given by representatives of the Y. M. C. A. and Y. M. C. I., the St. John speakers including Captain Bowles and J. H. Colahan.

Ernest Stirling of St. John again won commendation as clerk of the course, for the efficient manner in which he handled the events. He was assisted by T. K. Sweeney and Noel Jenkins, of St. John and H. Hutton of Moncton. Other St. John men who acted as officials were: F. W. Logan, referee; A. W. Covey, starter; Harry Ervin, D. J. Corr, H. H. McEldan, judges; Capt. Bowles, scorer. Through Alec Gibb, local ticket agent of the C. N. R., a special sleeping car for the St. John fans was placed on a siding at Moncton and was picked up by No. 9 train coming to St. John this morning. This proved of particular convenience to the visitors, obviating the necessity of remaining up until early this morning to catch the train home.

In the opinion of those who were at the meet, Moncton deserves great credit for its success and the excellent reception and generous applause given to the St. John skaters created a favorable and lasting impression on the St. John delegation.
