Newburyport Here Again.  
The St. John's and Newburyport will meet again tonight and, since the local team cleaned up both ends of the double header with them here last Saturday, Manager Ford, of the visitors, is determined to take the St. John's into camp tonight. Manager Evans, of the local team, is confident of making a clean sweep of the series by coping tonight's contest and another thrilling game is likely to develop. The St. John's will have their regular line-up on deck for the game, and with Kirkpatrick, who is expected to pitch for the locals, in the box, they will make a hard try to send the Newburyport aggregation away without a win from them.

## ROYALS DEFEAT BOSTON TWILIGHTS

About 1,000 fans witnessed the game between the Boston Twilights and the Royals, which was played on the East End diamond last evening. The Royals were the victors by the score of 7 to 2. The game was a poor exhibition of ball, due chiefly to the fact that four of the members of the Twilights missed the boat and their places had to be filled by St. John men. Diggs, who was on the mound for the local team, did good execution, holding the Boston boys to one hit and striking out eight men. Gordon, who pitched for the visitors, had ten strikeouts to his credit but allowed six hits, and his team mates played poorly behind him. Score:—

SHORT RETAINS  
CHAMPIONSHIP

MEETING TO FORM  
BASEBALL LEAGUE  
PROVES FAILURE

The challenge rounds in the men's singles and doubles events in the New Brunswick Tennis Association tournament at Rothesay were played yesterday morning after a rain.

The singles match between George Harley, of Moncton, and Hazen L. Short, of Rothesay, for the professional championship of the province, not finished because of an accident resulting in a sprained ankle for Harley, which occurred in the fourth set. It is considered likely that this will eliminate Harley from play in the mixed doubles of the Maritime championship event on Thursday.

George Hudson, of Rothesay, will probably be called upon to take Harley's place in this event, but the matter has not been settled.

The score in the singles was decidedly in Short's favor when the match was called off.

Will Meet Back.  
On account of Harley's injury, he withdrew from competition and the championship title was awarded to H. L. Short, who held it last year. He will play against Captain E. B. Black, this year's Nova Scotia champion for the maritime title. An X-ray will be taken of Harley's ankle this morning and it is hoped that he will be able to play with Mrs. H. R. Babbitt, for mixed doubles championship of the maritime provinces on Thursday.

The singles match in the afternoon between George Harley and Hazen Short was not as spectacular as the doubles and the style of play was considerably different. A high wind necessitated careful play, and a back-court game was the rule of the day with both. Short took advantage of what net playing there was and made some good volleys. There was quite a little lobbing done.

The first set went to Harley by a score of 6-3, but Short pulled up and took the next two, 6-1 and 6-2. In the fourth set the score stood 4-1 in his favor when Harley, in running after a ball, twisted his ankle badly. It is thought that the ankle is sprained and will keep Harley from competing on Thursday in the maritime championships.

FOR ORPHANS  
The Clives and W. E. I. L. teams will clash on the Queen square diamond this evening in aid of the funds for the West Side Orphans' Home and the game should be a good one as both teams will be at their best strength. The west side team has been strengthened for the game. On Thursday night the St. George's and Commercial will meet in the fourth game of the championship series for the mayor's cup.

PLAN BIG TIME  
AT ST. PETER'S PARK  
Presentation to Hilton Belyea and League Game Between St. Peter's and St. Johns.

If the fans going to the ball park on Thursday evening figure they are merely going out to see Hilton Belyea being given a grand reception home and there will be no thrills or anything else, they will be severely disappointed. For those St. Johns are hitting a clip now that is making the rest sit up and they intend having a mighty strong lineup for their league game with St. Peter's to even up several of those games dropped during the early part of the season. While on the other end of the argument, St. Peter's are about ready to emerge from their slump and if they do on Thursday night, then the fans will be standing up most of the time. In fact, judging from the number of persons who have expressed their intention of being on hand to take part in the reception, the management of the game is a mighty worthy one. Who says that it is not? This being so, a long pull and a strong pull with the weather man is all that is needed to make the occasion memorable in the sporting annals of the city.
