LIQUOR CASE COMES OUT OF THIS ARREST

Two young English sailors appeared before Judge Ritchie this morning in the police court on a charge of drunkenness. Out of the arrest of one of them, Percy Price, aged 18, came a charge against Wm. O'Keefe, liquor dealer, of Union street, of selling liquor to minors, on which he was fined \$10, while Price and his pal, Thomas Downs, were allowed to go.

O'Keefe said that he had asked Price last night as to his age, but the young fellow and his associate denied this today. They said they had "two beers apiece" in the place, although they were then to stagger so that they were later arrested on a charge of drunkenness.

Harry Smith and Alexander Stevens were each fined \$4 for drunkenness, while Henry Ring forfeited a deposit of \$8 for the same offence.

MARRIED AT SAND POINT

Young Belgian Brings Out Bride for Whom He Has Made Home in New Land

In the immigration shed at Sand Point today was recorded the closing chapter of a charming romance. At the noon hour, Rev. Dr. Hone, the Baptist chaplain, united in marriage Julius Flerick and Miss Marie Louise Dobbelaars, both of Belgium. They were passengers on the C. P. R. liner Montreal, that arrived here a few days ago, and their acquaintance dated back to childhood days.

With little prospect of much success in the old land, young Flerick decided to go to the United States to try his fortune. Accordingly he set out to New York and finally made his way further west till he landed in Chicago. He kept in communication with the fair Belgian maid, telling her of his progress in the new land, and both lived in anticipation of the event of today.

With sufficient saved for the purchase of steaming tickets for himself and the girl, Flerick took the steamer for Belgium and the return journey was made on the C. P. R. liner Montreal and today they were married.

SAID HE KNEW WHO SET FIRE

Strong Evidence in North Street Incendiarism Case Given—Constable Crawford Recounts What Prisoner Said to Him

The preliminary hearing in the case of John O'Brien, charged with setting fire to property in North street, was begun before Judge Ritchie in the police court, this morning. V. B. M. Baxter appeared for the prosecution, which is being conducted principally by the insurance underwriters, while E. S. Ritchie acted for the defence.

Charles F. Brown, of the North End fire department, told of answering an alarm to North street on Monday night last. The fire was in the unoccupied basement of a house, and he could see no reason why it should have occurred as there were no stoves nor chimney in the place. The door was barred or nailed fast with boards placed crosswise and on these boards was a straw mattress which was burning.

Herbert Maxwell of the Salvage Corps, told of seeing a large box in the basement and smoke coming from it, but he could not see what was burning in the box. He saw no natural cause for a fire. A door had to be forced open in order to get into the basement.

Alfred Evans, of Drury Lane, was called. He said he saw O'Brien on Monday night talking with Constable Crawford, but did not say to the prisoner, "Come away from that man—don't you know that's Crawford, and he's watching you." He said that O'Brien had told him that he had rung the alarm, but added: "I didn't see the fire, though."

Wm. Foley, said he saw O'Brien on the night of the fire talking to Crawford. He was with the defendant on the night of a previous fire. They were on a street car, but knew nothing of the fire in question until the alarm rang, when they got off.

J. Fred Shaw said he had been at the scene of the fire on Monday night, quite early, and described conditions as similar to what had already been stated. Constable Robert Crawford said that on Monday night he was in North street after the alarm rang, and saw somebody run from the direction of the rear of the house towards Pond street. He saw O'Brien in an intoxicated condition, and after having heard him make some remarks about the fire, asked him his name. The prisoner gave it as McCarthy of Pond street. When questioned about the fire, O'Brien said: "Well, I didn't see it, but I know who did." Foley came out of a doorway and asked: "What did you see?" O'Brien replied: "They think we set this fire," and Foley advised him not to go with him. The witness said O'Brien was about to "tell all about it," when Policeman Wittrien came [?] fight, when the prisoner said: "No, I don't see anything while those—cops are around."

On the occasion of a previous fire in a shop owned by John O'Brien, Crawford said he saw Foley and O'Brien standing nearby when the fire apparatus arrived. One of them remarked: "It's too bad it didn't get a better start." The case was adjourned until 3.30 this afternoon.

Speaking of Spring Overcoats When There's a Chill in the Air

reminds us that all of April and some of the days of May are yet to come with chilly possibilities. Lots of pleasant days, of course, but it is easier to depend on the weather when you are prepared.

There's full dependence to be put upon the Spring Overcoats in the Oak Hall Men's Clothing Store.

They will look good and be good, the day you wear them out of the store and will continue to remain in perfect shape.

The scheme of the present fashion is to give ample protection and warmth and yet with a look of lightness and airiness. The lighter colors help to complete this effect.

Young men seem to favor the rather light intermingled grays, some like the rough effects, others the smoother finishes.

Men's Spring Overcoats - \$7.50 to \$30.00
Men's New Spring Suits - \$5.00 to \$30.00
