

In April a second concert was held, the Band sharing the proceeds with the Band of Hope.

During the very warm weather, of course the meetings were not so largely attended, but we hope to go on regularly now, and will look for a large increase of members. Our object is the grandest and noblest that can be conceived of. We are trying to do what we can to send the light of the glorious Gospel to those who sit in darkness. We aim at nothing less than the evangelization of the whole world. God has blessed us in the past ; we will go forward in His strength.
