GOVERNMENT HOUSE, OTTAWA.

Tuesday, 31st May, 1870.

On the recommendation of the Honorable the Minister of Customs, and in pursuance of the provisions of the 11th section of the Act 31 Vic. Cap. 6, intitled, "An Act respecting the Customs," His Excellency in Council, when pleased to order, and it is hereby Ordered, that the following Regulations respecting the coasting trade of the Dominion, in amendment of the Regulation adopted by Order in Council of 28th July, 1868, shall be and the same are hereby adopted and established:

1st. It having been enacted by Chap. 9 Sec. 22, 23rd Victoria, that the Governor may grant yearly Coasting Licences to British Vessels navigating the inland waters of Canada above Montreal through such vessels may sometimes make voyages to Foreign Ports, it is hereby Ordered, that the Bonds to be given by the Master or Owner of such vessel, on taking on such licence shall not contain the condition, provided for in Section 5 of said Regulations, "that such Vessels or Boats shall not be employed in the Foreign Trade," but that it shall be a condition of such Bond, that wherever any such Vessel or Boat is employed in a voyage to or from a Foreign Port, the master or other proper officer thereof, shall report on board and outwards, in small respects, as though he had not received such Coasting Licence.

2nd. Representations having been made of serious inconvenience to the Master and Owner of Steam Vessels employed as regular passenger and freight packets between the Port of St. John in the Province of New Brunswick, and the Port of Digby, Annapolis, and Windsor in the Province of Nova Scotia, and also to the Mercantile Community of the said ports, in consequence of such Steam Vessels being obliged to report their cargoes each trip in detail, it is hereby further Ordered, that the Collector of Customs at the Port of St. John, may grant any such Steam Vessel yearly coasting licence, subject to the same conditions as are provided in the case of Vessels trading between ports in the same Province, with the additional condition that the Master or other proper Officer of such Steam Vessel, shall be furnished with two cargo books to be used during alternate months, and that at the end of each month, he shall submit one of the books used during that month to the Collector at the Port of St. John, and the said Collector shall return to him the other book with which he had been furnished, so that the record of the trade of each month, shall be in the Custom House, to be used for statistical purposes during the whole of the succeeding month.

Such testimony

CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:

From L. J. GACINE, Esq.

of St. Louis, Missouri. "Having experienced the most gratifying results from the use of Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me a moment's rest. The symptoms increased alarmingly, and so reduced was I that I could not stand on my feet without feeling as though I were sinking. I had consulted several physicians, and had taken many remedies, but without success. I then procured a bottle of Wistar's Balsam of Wild Cherry, and after using it for a few days, I found immediate relief. I continued to use it until I was completely restored to health. I have used the Balsam in my family, and it has proved to be a most reliable remedy. I am sure that such testimonials as the above will speak in its favor. It is a preparation which has only to be tried to be acknowledged as the most reliable remedy for CONSUMPTION."

A CURE FOR WHOOPING COUGH.

By H. H. HARRIS, Esq., Aug. 11, 1868.

My dear Sir, I have experienced the most gratifying results from the use of Wistar's Balsam of Wild Cherry. I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me a moment's rest. The symptoms increased alarmingly, and so reduced was I that I could not stand on my feet without feeling as though I were sinking. I had consulted several physicians, and had taken many remedies, but without success. I then procured a bottle of Wistar's Balsam of Wild Cherry, and after using it for a few days, I found immediate relief. I continued to use it until I was completely restored to health. I have used the Balsam in my family, and it has proved to be a most reliable remedy. I am sure that such testimonials as the above will speak in its favor. It is a preparation which has only to be tried to be acknowledged as the most reliable remedy for CONSUMPTION."
