PERUVIAN SYRUP!
OR, PROTECTED
Solution of Protoxide of Iron.
Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as an established medicine.
ITS EFFICACY IS CURED

DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Boils, Scurvy, and the Prostrative Effects of Lead or Mercury, General Debility, and all Diseases requiring a tonic, or alterative Medicine; for

new beyond question.

The power of its efficacy as an Invigorator is so well authenticated, and of such proof, that the most confirmed skeptic is compelled to hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all; but its range is extensive, because it acts upon the blood, through which all are intimately related, and consequently, when impaired, all are prostrated. By restoring the blood to a healthy condition, by its protective power, it gives to the system the principle of life, and of vitality, which is the only source of health. The facts are complete, the witnesses are accessible, and the safety and efficacy of the Syrup is unquestioned.

Those who only wish for an opinion from disinterested persons, respecting the character of the Syrup, are invited to call on the following, among numerous gentlemen in the hands of the Agents. The signatures are those of persons well known in the community of Boston, and of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

From our own experience, and all we learn by testimony of others whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Tubes, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, &c. Indeed its effects would be incredible, had they not been the character of those who have witnessed them, and have volunteered their testimony as we do ours, to its restorative power.

CERTIFICATE OF DR. HAYES.

It is well known that the medicinal effect of Protoxide of Iron is lost by even a brief exposure to air, and that its preservation a solution of the Protoxide of Iron, without further oxidation, has been deemed impossible. In the Peruvian Syrup this desirable result is attained by combination in a way before unknown; and this solution may replace all the proto-carbonates, nitrates and tartrates of the Materia Medica.
