colleagues, I think there was some disaption so that the house can say whether what SHOULD HAVE CHANCED not. The same member thinks that it would "All three expected to hold portfolios, require a separate department to pay out to think about it. The gentleman from Alawick was to be \$13,000 in bounties. We may leave that Students in attendance always have free provincial secretary and I have no doubt work to the dominion government which, claim on us. Prospective students next, he would also have been willing to take under the decision of the privy council, has And we have been turned with work.

"The Northumberland gentleman who will be settled. In regard to the question home remedy and will be found useful in many ways in the household, be sure to get Kendrick's. Kendrick's is King.

"The Northumberland gentleman who speks first was to have been chief commissioner of public works and his colleague sioner of public works and his colleague opinion is that we should not lose a member the session may be done well and that it GAS ADMINISTERED.
