HALIFAX, N. S., May 18.—The French fishing schooner plictator, which has been with eclose of the session for a long summer holiday in Great Britain and South of France, will on his return in August or September take a trip through leave of the western provinces, speaking at a few points and salling from St. John E. John M. The Close of the

completion of the road.

As one means of getting some uniformity in Conservative policy in parliament on all large issues and avoiding a recurrence of some of internecine warfare of the past two or three sessions, it has been proposed in the Opposition caucus that a sort of cabinet should be chosen to act with Mr. Borden in declining on party votice in parliament hereafter. This policy in parliament, hereafter. This will probably be done next session if a "cabinet" can be selected without raising undue jealousies in selection.

## SERVICES CONTINUE

The attendance at the anniversary services of St. Andrew's Church was not lessened yesterday by the disagreeable weather. There was a large congregation at both the afternoon and evening services.

The Rev. Dr. Johnston delivered an excellent address on the Baptism of the Holy Spirit. The baptism was an initial blessing received by the Christian or his conversion. The disciples had received baptism on the Day of Pentecost, while it was received by Cornelius at the delivery of Peter's sermon. Every Christian who has entered the kingdom has really been baptized by the Holy Spirit.

Rev. David Lang and H. D. Marr also associated in the services.

In the evening Dr. Johnston spoke from the subject, "Lost blessings and their Restoration."

Rev. A. B. Cohoe assisted in the service, while the Pythian male quartette were heard in two selections. Mrs. W. H. Simon was the organist of the evening and her playing was highly appreciated. The services will be continued today and close tomorrow.
