Negro Baptists
Dr. B. F. Riley of Birmingham, Alabama, recently gave out the following figures as to the comparative strength of the negro membership in the leading denominations: Baptists, 2,341,205; Methodists, 1,436,824; Presbyterians, 29,000; Roman Catholics, 38,235; Protestant Episcopal, 19,098. According to these figures there are nearly 1,000,000—over 900,000—more negro Baptists in the country than negroes of all other denominations.

American Baptists Home Missions
The American Baptist Home Mission Society embraces in its work nearly every state in the Union, and also Mexico, El Salvador, Cuba, and Porto Rico. It includes in its work twenty-seven nations who go to make up this "melting pot" of the world.

Leinster Street
Rev. W. Camp will commence his vacation the first of August. Rev. W. H. Johnson of St. George will supply the Leinster street pulpit Aug. 15th. Arrangements for other Sundays yet to be made.

This is Woman's Hour
The Rev. W. Y. Fullerton, writing in the Baptist Times for the English Baptist Missionary Society, declares this is woman's hour. New opportunities and duties are opening everywhere around her. Men are called to the work; many of them busy on our railroads and at our bookstalls; they are busy, too, out of sight in our banks and warehouses; and in public service they have risen nobly to meet the need of the time.

Shall there not also be an uprising of women to the missionary call? Shall not Christ's apostles who have been sent to far lands have a place in their sympathies alongside the refugees to our own land and our sons who have gone to the front? Everywhere women are asking what they can do. Here is a sphere where their influence may be supreme. No extra organization is necessary. They can begin at once in the assurance that the service they render will be really effective in the world.

Charlotte Street, St. John West
Rev. A. J. Archibald will start on his vacation July 19th. The following will occupy his pulpit during his absence: July 25th, Mr. Guy C. Bleakney; Aug. 1st, Rev. Thomas Ross; Aug. 8, Rev. A. D. Paul; Aug. 15th, Rev. W. E. Norton, D. D.

Stomach Trouble and Rheumatism Relieved by "Fruit-atives"

MR. L. LABRIE
594 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-atives.' For two years I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen.

A friend advised me to try 'Fruit-atives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-atives' is the only medicine that helped me.

Although twenty-four shells were hurled at us, but most of them exploded after we had found shelter in a cellar in another part of the premises. For 19 and a half hours we had no food, as we had to move our Dressing Station, and no one thought of food until we had found and filled up another place for the reception of the wounded. "Every man was cheerful, brave and true."

Rev. Dr. Ritson
Rev. J. H. Ritson, Methodist minister, has just received the honorary degree of D. D. from the Wesleyan College, affiliated with the McGill University, Montreal. For the last fifteen years Mr. Ritson has been one of the two secretaries of the British and Foreign Bible Society. He has published a valuable book on the Bible in China, and has also served as one of the secretaries of the Edinburgh Conference, and of its Continuation Committee. The personal distinction which has now been conferred upon him is well deserved, and is likewise a recognition of the work of the Brit-

TOOK THE ADVICE OF HIS FRIEND

Stomach Trouble and Rheumatism Relieved by "Fruit-atives"

MR. L. LABRIE
594 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-atives.' For two years I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen.

A friend advised me to try 'Fruit-atives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-atives' is the only medicine that helped me.

Although twenty-four shells were hurled at us, but most of them exploded after we had found shelter in a cellar in another part of the premises. For 19 and a half hours we had no food, as we had to move our Dressing Station, and no one thought of food until we had found and filled up another place for the reception of the wounded. "Every man was cheerful, brave and true."
