EVERITT & BUTLER,

## The Zaily Tribune.

ST. JOHN, N. B., JULY 13, 1872. The Lumbering Interest.

Here is an important item of news telegraphed to the St. Croix Courier from

Fredericton:

Government, which is absolutely control Lumbermen throughout the Province!

lumber operators who are its most promithe cost of lumbering on all who are not within the charmed circle of "River Du

on all who cannot control or have not pur are informed that the cost of getting logs fatal episode in our annals. to market and manufacturing them has inc eased fifty per cent in the past three years :- the further addition to the excan be realized even by the uninitiated.

The Canal Surveys.

Says the Moncton Times :-

is daugerous. The Tribune pany This Company undertook to send this sterile island, land of fogs and icebergs, cribing the wonders inside. and which Esq., of this city, has been offered and, we can be a second on important and a committee of seven this sterile island, land of fogs and icebergs, cribing the wonders inside. and which believe the character of the c neans mischief but will fail in its 'efforts ven if Rockland comes to its aid.

And a good deal more of similar purport.

May when their first boat, the "Pictou," barrens and serubby wood, as its detraction arrived. The boats were subject to survey arrived arrived. The boats were subject to survey arrived arrived of the week was the arrival of the "Scud." What The Tribune "means," what it and approval, and upon the report of the mate, scenery, or agricultural resources, of the week was the arrival of the "Scud," desires to impress upon the people of surveyors, the Government were compelled has been more misrepresented than New on Wednesday morning at seven o'clock Shediac, of Moncton, of Dorchester, Rock to reject the "Pictou." Then we were land, Memramcook, Dover and other points treated to an atrocious tub, the "Alham the world outside. But those who have day morning was one of the early identified himself with the internal of the "Scud" on Wednes political particular internal of the "Scud" on Wednes the world outside. But those who have day morning was one of the events of the porter of the internal of the "Scud" on Wednes are internal of the "Scud" on Wednes the world outside. But those who have interested, is that unless they move immediately a craft fit for no position better than Affect that of a carrying boat upon some inland that of a carrying boat fixed fact. They should not heed "the cold water" now thrown upon their project by "Georgia," which was a good blockade with the cold water and the cold water of the Peace and the cold water of the Peace and the cold water of th crying out for new surveys, and now that fit to encounter ice upon our dangerous see Newfoundland in its fairer phases, and mass, and on her arrival at the wharf she Pacific; and both here and at Ottawa, as Gilmore, conducted his "great orches and fresh picked from the cultivated vines the time has arrived when the surveys must coast. From time to time we were then vituperate it, would travel from Dan poured out a crowd that could scarcely where he went as the representative of this tra" of six pieces through the Grand Inbe made or the opportunity forever lost, suddenly calls a halt and suggests "delay."

The Company insisted upon the opportunity forever lost, suddenly calls a halt and suggests "delay."

The Company insisted upon the opportunity forever lost, would trave from the opportunity forever lost, between the respect to the opportunity forever lost, would trave from the opportunity forever lost, between the respect to the opportunity forever lost, would trave from the opportunity forever lost, between the respect to the opportunity forever lost, or boats. The Company insisted upon the opportunity forever lost, would trave from the opportunity forever lost, or boats. The contracted for a wooden boat to Beersheba and cry, "It is all barren."

It is also Time to the opportunity forever lost, would trave from the opportunity forever lost, would trave from the opportunity forever lost, beersheba and cry, "It is all barren."

It is also Time to the opportunity forever lost, would trave from the opportunity forever lost, beersheba and cry, "It is all barren."

It is also Time to the opportunity forever lost, would trave from the opportunity forever lost, we can be a supportunity forever lost, which is also the opportunity forever lost, we can suddenly calls a halt and suggests "delay."

It is the Times that "means mischief,"—
mischief of the very worst description to a mischief of the very worst description to a mischief of the very worst description to a have a wooden boat in the fall of the year.

It is the Times that "means mischief,"—
giving us iron and promised that we should have a wooden boat in the fall of the year.

A "Ring" Judge Killed by Public Opinion.

To Beersneoa and cry, "It is an ourrent.
