

## BOYS' BRIGADE.

Although this organization has only been in existence between three and four months, it has already exercised an influence for good over the boys of the congregation.

The Service Roll of the Company contains the names of 53 boys, two of whom, however, have recently removed from the city.

During his visit to Vancouver in the month of November, His Excellency the Earl of Aberdeen was kind enough to inspect the Company (then in its infancy), and to express his entire satisfaction with the proposal that the Company should be known as the Gordon Highlanders.

The Officers in charge are J. A. Forin, Captain; J. Duff Stuart, 1st Lieutenant; J. D. Scott, 2nd Lieutenant, and L. H. Burnett, 3rd Lieutenant.

The meetings for drill, which are held every Tuesday evening, are opened and closed with prayer.

The Company is deeply indebted to Lieut. Burnett for the large amount of trouble he has taken in connection with it.

The boys have collected \$82 towards their equipment. They had an opportunity of taking part in a Christmas Cantata given in aid of the Sabbath School Library fund, and they certainly contributed their share to the success of a very successful entertainment.

All of which is respectfully submitted.

J. A. FORIN, Captain.
