Card of Thanks
Mr. W. F. Hayter wishes to express his hearty thanks to the Glencoe firemen and the many citizens of the town and surrounding country to whose energetic and heroic efforts he owes the saving of his store and much other property from destruction by fire on Thursday evening.

Card of Thanks
Mrs. A. H. Copeland and family wish to thank their many friends for their kindness and sympathy and beautiful floral offerings in their sad bereavement.

In Memoriam
RAYCRAFT.—In loving memory of our dear father, Richard Raycraft, who died July 15, 1921.
Days of sadness still, come o'er us,
Tears of sorrow often flow;
Memory keeps dear father near us,
Whom God called a year ago.
There is a link death cannot sever,
Love and remembrance last forever.
—The Family.

TOWN AND VICINITY

Melbourne and vicinity experienced an unusually heavy rain and wind storm on Monday afternoon. All games in the West Middlesex baseball league scheduled for the past week were postponed. It is stated on account of rain.

Miss Alma Henderson, pupil of Miss Saxton, passed her Junior pianoforte examination in connection with the Toronto Conservatory of Music.

Appin garden party has got the big lead now in interest among the forthcoming summer outdoor entertainments. The date is Wednesday, August 2nd.

The remains of the late Mrs. Geo. Wilson arrived from Alberta on Tuesday evening and were taken to the home of J. D. Brown, which was Mrs. Wilson's former home.

PERSONAL AND SOCIAL

—Miss Margaret Kerr was home from Windsor over the week-end.

—Miss Florence Hurley, of London, spent the week-end at her home here.

—Flora E. McMillan, of Dutton, is spending her holidays at Chas. Annett's.

—Miss Alma Watts visited for a few days last week with friends in Fingal.

—Miss Aggie Campbell, of Melbourne, is the guest of Mrs. W. F. Hayter.

—Frances and Eleanor Sutherland are spending a week with friends in Windsor.

—John Hurdle, of Alhambra, California, is visiting his brother, Edward Hurdle, at Newbury.

—Mr. and Mrs. Jack Bateman and Mrs. W. Egan, of Dresden, spent Sunday at Charles Hurley's.

—Mrs. Alex. Duncanson has returned to her home in Windsor after visiting her mother, Mrs. D. D. Graham.

—Relieving Agent Gardiner was in charge at the G.T.R.-Wabash depot while Mr. Smith was taking some holidays.

—Mrs. F. E. Lloyd and Mr. and Mrs. Frank Meyer, of Pontiac, Mich., are spending this week with W. G. McCallum.

—Mr. and Mrs. George McBain, of Winnipeg, are spending a couple of weeks with their daughter, Mrs. Joseph Grant.

—Mr. and Mrs. Braden, of London, visited the former's parents Mr. and Mrs. E. Hurdle, at Newbury, on Sunday.

—Miss Annie Aldred is taking a summer course at the New York School of Fine and Applied Arts, concluding August 16.

—Mr. and Mrs. C. E. Davidson and sons, Douglas and Kenneth, and Mr. and Mrs. E. Mayhew, left on Saturday for a trip up the lakes.

—Mr. and Mrs. James Wolsey, Mr. and Mrs. Orelle Wolsey and Marie, Alma and Ernest Wolsey, of Petrolia, spent Sunday at Archie Burke's.

—Mrs. Kerr and daughter, of Bothwell, and Mrs. J. D. Gillies, of Highgate, visited over the week-end with Mrs. Aldred and other friends here.

—Mr. and Mrs. Wm. Ross and daughter, Lorna, and son Jack, of Sarnia, motored to Glencoe and spent a day recently at Chas. Annett's.

—Mr. and Mrs. Duncan A. McIntyre and son Malcolm, of Strathroy, spent Sunday with Mr. McIntyre's sister, Mrs. D. D. Graham, North Glencoe.

—John S. McAlpine, of Grimsby, spent the week-end with his parents, Mr. and Mrs. John McAlpine, and to be with his sister, who is seriously ill.

—Miss Jean Kelly, of Glencoe, and Misses Mary and Phyllis, of Vancouver, are spending their holidays with their cousin, Mrs. C. P. Welton, of Middlemarch.

—Mrs. W. F. Hayter and little daughter, Helen, and Miss Petch and Miss Campbell have returned from a visit with Mr. George, at a summer cottage at Evansmere, Mich.

—Mr. and Mrs. Claude Watterworth, of Collingwood, are visiting relatives in Glencoe and vicinity. Mr. Watterworth has sold out his dry goods business at Collingwood.

—J. A. McLachlan, Harry McLachlan, Miss Jean McLachlan, Miss Ella Samson and Mrs. G. H. Singleton and daughter Helen left on Monday for a motor trip to Niagara Falls and other points east.

—Mr. and Mrs. P. E. Lumley and Mr. and Mrs. O. Smith attended the "Canadian Ticket Agents' Association convention on board the S. S. Noronic to Duluth last week, and report a very enjoyable trip.

—Mrs. Walker, of Saskatoon, is visiting her niece, Mrs. James Macfie, at Appin. Mrs. Walker is the wife of Rev. Robert Walker, a Methodist minister who was stationed at Appin 56 years ago, when the first Methodist church was built there.

—Dr. Revell, professor of Edmonton University, and son, D. Revell; Mrs. Kincaid and Miss Velma Kincaid, of London; Mrs. K. Huston and family and Mrs. Gorman Jeffers, of Windsor; Miss Murray, of Aylmer; Mr. Orchard and D. Munro, of Shedden, and Mr. and Mrs. Geo. Huston, of Melbourne, were recent visitors at Geo. Parrott's.

SUCCESSFUL NORMALITES

The results of the courses of training for Public and Separate school teachers at the Normal School at London are announced. The following are the successful students in this district:—

Interim second-class certificates—Misses Margaret Edie, Dorothy Highwood, Agnes McEachren, Mary Westcott, Glencoe; Annie L. Field, Reta Gray, Alice Lightfoot, Bessie Tompkins, Alvinston; Mary A. Gough, Helen Best, Edna Robinson, Strathroy; Myrtle M. Prangley, Newbury; Agnes K. McNabb, Jean Margaret Richards, Middlemarch; Edith G. Miller, Lawrence Station; Muriel Richards, Melbourne; Adelle Walker, Walkers.

CASHMERE

Mr. Cadogan, of Wallaceburg, has returned to his home after visiting his aunt, Mrs. Chas. Tunks.

—Lynman and Edna Hoxie, of Detroit, are spending their vacation with their aunt, Mrs. Calvin Stiller.

—Mrs. Chas. Tunks and John and Clifford motored to Wallaceburg and visited the former's brother recently.

—Mr. and Mrs. Calvin Stiller and son spent Sunday at her former home in Newbury.

—Miss Minnie McIntyre and Mrs. McEachren and two sons have returned to their home in Detroit after visiting Mr. and Mrs. John McIntyre.

THE HORRORS OF INDIGESTION

Relieved by "Fruit-a-tives" the Fruit Medicine

Indigestion, Weak Digestion or partial digestion of food, is one of the most serious of present-day complaints—because it is responsible for many serious troubles.

Those who suffer with Indigestion, almost invariably are troubled with Rheumatism, Palpitation of the Heart, Sleeplessness and excessive Nervousness. "Fruit-a-tives" will always relieve Indigestion because these tablets strengthen the stomach muscles, increase the flow of the digestive juices and correct Constipation, which usually accompanies Indigestion.

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

SPECIAL NOTICES

Residence on Main street for sale. Apply to Mrs. Mary McAlpine.

Good showing of ad'es and children's millinery at the Keith Cash Store.

Retiring from the shoe business. Everything at bargain prices.—C. George.

A quantity of brick for sale. Apply to Clarence Nixon, Route 1, Glencoe.

Shoes at bargain prices. Many lines at less than wholesale prices.—C. George.

All gingham, voile and taffeta dresses at half price, at Mrs. W. A. Currie's Ready-to-wear Store.

The board of the Ekfrid Farm Loan Association will meet at Appin town hall Thursday, August 1st, at 2 o'clock.

Celebrate at Appin on August 2nd. Full program afternoon and evening. A printed program will appear next week.

Upholstering, fine cabinet work, carpenter work, furniture finishing. J. D. Brown, first door north of Transcript office.

Beautiful new hats in white felt, white satin and feathered effects. For the summer and early fall trade, at Mrs. W. A. Currie's.

Try Hambrides' corned ham, 55c lb.; also corned beef, sausage and bologna. Order your thrashing roast here and get the best.

Come and participate in the masquerade street dance at Glencoe tomorrow evening. A hearty welcome to all, and a good time assured.

Appin's annual garden party will be held on Wednesday, August 2nd. Afternoon sports and monster evening entertainment. Keep the date and watch for posters.

There will be a meeting of ladies to discuss plans for the Mossa and Appin picnic, on Saturday evening at 9 o'clock, at the U.F.O. store. Will each U.F.W.O. and U.F.O. club interested kindly send two lady delegates?

Summer footwear at almost half price, at George's.

All roads lead to Appin August 2. Big doings afternoon and evening, starting off with an old-time calliothumpian parade at 1.30, and ending up with one of the best evening programs ever presented. You can't beat it! You mustn't miss it!

Our display of millinery is bigger and better than ever. We have a large stock of trimmed hats and ready-to-wears, and are prepared to give the best values and best styles to be had. See our interesting display of midsummer millinery.—The Keith Cash Store.

Union Sunday School basket picnic, Springfield, Wednesday, July 26th. Cars leave public school grounds 9 a.m. All the congregations invited. Free transportation for children. Car owners having extra room for children, please turn up.

Mr. and Mrs. A. J. Trolly, of St. Clair, Mich., celebrated the golden anniversary of their marriage on July 11th, when between fifty and sixty relatives and friends gathered at their home and enjoyed a sumptuous wedding dinner and an evening in music and dancing. Preceding the observance of the wedding itself, in which ring service was performed, three children and three grandchildren of Mr. and Mrs. Trolly received the rite of baptism. The house throughout was tastefully decorated in orange, purple and black, and the season's flowers were among the appointments.

Mr. and Mrs. Trolly were united in marriage at Newbury, Ont., on July 11th, 1872, by Rev. Mr. Dickey. They have five children, four of whom were present at the anniversary, and six grandchildren and three great grandchildren.

Mr. and Mrs. James Munroe and sons Donald and Malcolm, of Glencoe, were among the guests at the anniversary.

TO BE KEPT APART

Sparks and gasoline. Caps and dynamite. Electric wires and metal objects.

Children and matches. Electric bulbs and combs or hair-pins.

Careless people and camp-fires. Gas jets and lace curtains.

Coal oil lamps and shaky tables. Forest slash and cigarette stubs.

Brush piles and careless smokers. Celluloid combs and hot hair curlers.

Lighted matches and forest underbrush.

ABOUT TILE DRAINING

What the Provincial Act Does for the Farmer.

Tiling Improves Land Year After Year—Comparison of Cost and Benefit—Government Money Loaned at Low Rates—How Fruits Ripen.

(Contributed by Ontario Department of Agriculture, Toronto.)

In spite of the fact that Government loans for farm under-drainage have been available for a number of years, it is still news for many farmers who have not sufficient capital to tile their farms. Too much cannot be said in support of this aid to increased production and enhancing the value of property. No other farm improvement will give equal returns and become a permanent improvement.

Improved machinery, although very desirable, depreciates year by year, and in time is discarded and replaced by other and new equipment. Fertilizers are available for a year or two and have to be renewed, whereas tile drains become more efficient year after year. The soil becomes better aerated, more friable, and in a better physical condition when maximum crops will be produced with the minimum amount of work.

Matching Cost and Benefit. Suppose for instance it takes \$40 to tile drain an acre of land systematically, but by so doing several hollows which never produced more than half a crop before now yield more than any place else in the field. Supposing another wet area which always drowned out does likewise, and in all we have twenty-five bushels of wheat instead of twenty, or we have sixty bushels of oats instead of fifty. These estimates are much too low, but conservative estimates are safe.

Let us see what interest we make on our money. Taking the present price of wheat as \$1.40 per bushel, we have made \$7 on an outlay of \$40, which is 17½ per cent. on our investment. With oats at 45c we have 11½ per cent. on our investment, and if these are not good returns I don't know where to find them.

Government Loans at Low Rates. For the use of this money, on which you make large interest, the Government asks you only 5 per cent. You have twenty years to return it, long before which you have been repaid several times. Under the present act anyone wishing to tile can borrow 75 per cent. of the cost of his work up to \$2,000 per hundred acres. The loan is obtained through the township council, which is responsible for passing the necessary by-laws and the issuing of the debentures for sale to the Provincial Treasurer. No township council alive to the necessity of under-drainage would refuse to become interested in obtaining such a loan for any of their ratepayers.

Further Government assistance by way of surveys, plans and specifications for drainage work may be obtained by applying to the Drainage Department, O. A. C., Guelph. They will also be glad to assist individuals or councils in discussing with them the Tile Drainage Act, or in mailing them copies in which they can get the details.—F. L. Ferguson, O. A. C., Guelph.

How Fruits Ripen.

The place which fruits are assuming in the dietary of man is one of growing importance. Certain species like the apple and pear, the plum and the grape, have long enjoyed a venerated popularity; others which were once among the rarities in the United States are now in great favor.

The ripening of fruits plays so important a part in their availability, and some of the problems of transportation, that authentic information on this subject is much to be desired.

Some fruits, like the apple, may be allowed to ripen almost fully on the tree, and may be kept in the ripened condition for relatively long periods, if proper attention be paid to their manipulation and storage.

The physical changes, like the variation in color of ripening fruits, are familiar, since they are evident to the senses; but these alterations are merely indicative of changes in the chemical makeup of the fruits under the conditions which determine ripening. Heat, moisture, air and light may all participate in determining the characteristic changes that ensue.

Laboratory reports of statisticians' investigations in recent years have given clearer indications of what takes place. Among the changes are the transformation of the starch into sugar, the conversion of soluble tannin compound with their astringent properties into insoluble forms, the actual lessening of the quantity of acid, or the masking of the acid flavor by the accumulation of sugar, the softening of woody tissue, and the increase and storage of juice.

With the growing knowledge of what the ripening of fruits really involves, we are certain to acquire better ideas of what a properly ripened product should really be. The fact that unripened (winter) apples are unfit for consumption in the early fall, because instead of sugar they contain a large amount of raw starch, which will disappear with the "mellowing" process, will be understood in a more intelligent way than has usually been the case.

Shade Trees on Highways. Our highways would be much more attractive if lined with shade trees. These trees could be set 50 or more feet apart and would do little damage either to the adjoining property or the roadway. They would make the road pleasant to travel over and also live by.

Go through the grain fields with the object of removing impurities and noxious weeds.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher.

J. H. SAUNDERS, President A. M. HUNT, Secretary

BE CAREFUL WHAT YOU SIGN

An elderly farmer up in Arran township came very nearly being put out of house and home recently through the signing of a document, the contents of which he did not understand. It appears that a Tara implement dealer was asked by the firm he represented to have some responsible person recommend him as a trustworthy person to handle their business. The prospective agent suggested that the farmer in question and the general agent going out to call on the farmer secured his signature to a document which he (the farmer) thought was only a recommendation but which in reality was a guarantee. All went well for the first year, and the farmer readily signed again the second year. This time, however, the Tara agent got away behind and the company came forward with a claim of \$5,000 against the innocent and ignorant farmer. The farmer engaged the services of Lawyer C. J. Mickle, of Chesley, who arranged to meet representatives of the implement company at Walkerton. To these Mr. Mickle pointed out that the farmer was an old man and that to take \$5,000 from him would put him on the road. The company, it appears, could have made the farmer come across with the full amount, if it took his last cent, but Mr. Mickle's line of argument influenced them to half up with the farmer and accept the payment of \$2,500, which was the amount the unfortunate man paid for his experience.

We have added some new equipment for the handling of the wagon and buggy tire trade. Also have added a stock of auto spring steel for the repair of springs. We have a new special line of steel horse shoes, rubber and leather pads. Let us supply your wants.

"People who look on the dark side of things never shine."

One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.
