

to Paris, for present sent. at last p. n. A Liberator
 but "at the present time considered it the more
 expedient course for members than U. C. to keep
 their party engagements and to render a due
 and independent support to the existing tract on
 the condition of its prospects and fully carrying
 out the terms of Union particularly the early
 commencement and vigorous prosecution of the
 Pacific Railway; and generally giving attention
 to the interests of the Province. *West Hill
 Road, Victoria. 25th Jan 1872*

Wm. Thomas Watson. (West Westchester.)
