My dearest Sedova Crew, (Red N' Black Revue)
It was 3 1/2 weeks of pure torture and for that I apologize but as you all know in the end my bitching paid off. I'd like to thank Le Château for outfitting the crew, Donnell and Tanya Davis for their devotion, to Chris Lewis for his patience to my sidekicks Stacey & Katina who brought laughter to all and to all my Sedova dancers who made me proud. This is just the beginning.

Our constant need for help in physics is all a mere farce; the time we spend with you is pure agony, as we wish that your sensuous fingers were pushing our buttons (or undoing them) rather than a calculator's.
