## SYNOD of the DIOCESE of TORONTO, 1911

### A Promise Fulfilled

Faith Are Stubborn Things

"It is hard for thee to kick against the pricks"

"It is singular how often the old ways of life recur. Even when you do get rid of them, they return again, unless you are willing to quit the old ways and make new ones. — *Charles L. Eastman*, on new ways.

Tim Relyea Davis, Toronto, 1911  
I am sending you a copy of my book, "The White Man's Curse". Please  
hate him for me.

Tim Relyea Davis

"Put this book in your library. It will be a good book to have. I  
affectionately yours,  
Tim Relyea Davis."
