Dear Sir,—I thank you for the Bulbs you kindly sent, and the liberal count, which I assume to have been intentional. As you have not Umbellatum, kindly send me the two varieties of Ornithogalum which you have, and oblige,

Yours truly,

H. S. POOLE.

Mr. Harris : Dear Sir,—Your Plants gave great satisfaction, while Plants from — were total failures. One person got two dozen Roses from the States and lost them all.

Yours sincerely,
