

THE "FARMER'S ADVOCATE"

FOR 1871.

NOW IS THE TIME TO SUBSCRIBE!

The paper has been vastly improved since its commencement, it being now

THREE TIMES AS LARGE
As when First Issued.

It is again TO BE IMPROVED by having EXTRAS AND SUPPLEMENTS ISSUED.
\$1.00 PER ANNUM.

We intend to make this paper equal to any Agricultural Paper published in the United States. It is the only paper published in Canada that is

Unbiased by Political Party or Religious Sect!

It has furnished its readers with the first information in regard to valuable SEEDS AND IMPLEMENTS. Its STOCK REPORTS are to be made more complete. No constant reader can say that we have ever attempted to shield, favor or advocate any thing or person for political purposes. The Farmer's Advocate has furnished more valuable information about

SEEDS, DRAINING and IMPLEMENTS

than any other paper in the Dominion. One particular advantage is that it contains more voluntary, unbiased agricultural writings, from the real farmers of Canada, than is to be found in any other paper. And all writers may have their communications inserted without charge, provided they give agricultural information of value to the country.

TERMS, POST-PAID, \$1.00 PER ANNUM IN ADVANCE

\$1.50 if not Paid in Advance, with the Supplements and Extras.

To Old Subscribers whose crops have failed, or whose circumstances are straitened, we will send the paper to you, in its enlarged size, without the Extras or Supplements, at the same rate you paid last year, if punctually paid in advance.

TO AGRICULTURAL SOCIETIES.

We will send you this paper complete at as low a price as you can get any other Agricultural Paper now published in Ontario.

If any old subscribers wish to alter their address to another post office, or even discontinue the paper, they should at once give us notice. In case of alteration, name your present and future post office. Some have complained about our stopping the paper at the expiration of the time; therefore the papers are continued to be sent at the credit price, when no notice has been received.

AGENTS ARE WANTED

In each locality where there is none established, and a good commission allowed. If no agent calls on you before the 10th of this month, any one that is known in the section can act. Just take your paper, and get what subscribers you can before the next number is issued. Every one of you may add one more name to our list; some may add hundreds. Just take one day and try it. The more that are sent in the better the paper will be made. We hope to be able to make it a weekly before the end of 1871.

THE BEST AGENTS

Are those that have had SEEDS, STOCK OR IMPLEMENTS from us, as they can speak from experience of the utility of the

AGRICULTURAL EMPORIUM.

N. B.—Our orders are already sent to Europe and the States for choice Seeds for 1871. All require good Seeds. When any of our friends take an interest, and get up a Club for the paper, they may also take orders for Seeds & Implements, at which business some of your sons might do well this winter. First send a letter with a few subscribers, and we will send further instructions. Be the first to act in your neighborhood.

TAKE NOTICE:

You can all subscribe to persons that you know in your own neighborhood. But if a stranger attempts to take money from you, either for paper, seed or stock, examine his letter, see that it is dated this month, and see stamp and signature attached to it, as there are some imposters about.
