A Splendid Xmas Gift for any Family

Nowadays, folk are too prone to take things for granted. They accept the wonderful speaking machines as a matter of course, and do not half appreciate what marvelous instruments they are.

The telephone, telegraph and automobile are marvelous. But just think how much more wonderful are the

Victor or Berliner Gram-o-phones

Just think of rolling your chair before the fire in the evening—lighting cigar or pipe—and listening to a concert that could not be brought to you for less than \$20,000.00 a night.

Caruso, Eames, Gadski, Scotti, Plancon—the most glorious voices in the whole world—right there in your room to sing at your bidding, and to keep on singing years after the artists are dead. Maud Powell, queen of the violin—Hollman, master of the 'cello—Sousa's and Pryor's Bands—and the great Victor Orchestra—are there waiting to play to you at your touch of the button—to say nothing of quartettes, comic singers, instrumental soloists, minstrel troupes and other entertainers. Think what a concert you may have for your friends, in your own home, any evening!

All this is possible only with the wonderful Victor or Berliner Gram-o-phone. It is the Victor or Berliner alone that mirrors every note—every tone—every shade of emotion of voice instrument.

Caruso sings only for the Victor or Berliner. He knows that these wonderful instruments alone will reproduce his voice in all its matchless purity and volume.

Is there anything else you can think of that will give so much enjoyment to every member of the family during the long winter evenings?

Is it not the ideal Christmas present for the wife—for the children—for some dear friend who seldom has a chance to hear any good music?

Prices, \$12.50 to \$110.

We are sure you will at least write for our free catalogue of 3,000 records, just to see for yourself what splendid things the Victor or Berliner Gram-o-phone has in store for you.
