**DIRECT TO YOU  
FREIGHT PREPAID**

*"The Best is the  
Cheapest"*

**WE** ARE the wire fence pioneers of Canada. We put wire fence on the market and were the first to make a standardized high-grade reliable fence. Since that time our enormous list of satisfied customers, greater probably than all other fence companies combined, has been built up by honest fence, honest wire, honest weaving, honest galvanizing. Page galvanizing is special and is the best that can be produced.

**OUR** customers see Page fence give 15 and 20 years of service. They willingly pay highest prices to get Page fence because they have seen "bargain fences" sag, rust and break long before an honest fence should.

**TO-DAY** we say buy Page fence for cash, at factory prices. Fence will be shipped quickly, freight paid, to your nearest station. Order from the Page warehouse nearest you, at Walkerville, Toronto, Montreal, or St. John, N.B. Page fence is easiest to get and has a greater choice of styles, and gives better service than any other fence offered in Canada to-day.

**PAGE** Wire Fence uses specially made steel wire. This is no empty claim. We actually use it. This wire has a high percentage of carbon as compared with ordinary hard-drawn wire and is therefore much more tough, springy and strong. It costs more but the Page fence must wear best and it does. Our prices for cash to-day are the biggest value you have ever seen. Only experienced fence men will appreciate how big. Send your order to-day. These lowest cash prices are subject to change without notice. They include freight, according to territory, to your own railroad station. We keep big stocks at Toronto, Montreal and St. John.

**"PAGE" FENCE IS A GUARANTEED FENCE**

The Page Company is noted for its fair dealing and liberal guarantees. No matter what your experience has been in buying by mail you can trust this Company implicitly. We always have and we always will guarantee every rod of Page fence to be satisfactory and exactly as represented or we will take back the goods, refund your money and in addition pay you for your time and trouble. That's because we're absolutely sure of Page fence. Every trouble point in ordinary fences has been perfected out of the Page—every wire is the same length as the wire next it, hence, when the fence is stretched, all wires have equal tension—there is no bagging or sagging. The locks absolutely do not injure the wires in the least and are a most secure fastening. The whole fence is a true, taut wall of steel protecting your crops and stock, putting big money in your pocket every year.
